A Memorandum of Understanding (MOU) on academic collaboration has been signed between Mody University of Science & Technology and French n+i Network on December 7, 2017 during a ceremony at Institut Francais de Inde, Embassy of France in India at New Delhi. The agreement has been signed by Dr. Jean- Pierre Trotignon, Executive Director, Network N+i, France and Prof. R. K. Shivpuri, Director, International Relations, Mody University. The Network “n+i” is a consortium of over 50 French Grandes Ecoles d’Ingenieurs, offering advance academic courses in Engineering and Science.

The following students have been provisionally selected in different programs:

- Ms. Charu Sharma - Nuclear Science - M. Tech. & Ph.D. She will get the fellowship during her study program for four years.
- Ms. Anukriti Shrivastava - M. Tech. in Big Data - Provisionally Admitted - Duration – Two years.
- Ms. Keerti Gurjar - Mechanical Engineering - Admission under consideration

The last four students from the above list are likely to get fellowships.

**MEET 2018 ( MODY UNIVERSITY ENGINEERING ENTRANCE TEST )**

College of Engineering and Technology (CET)-Mody University has grown greater heights in empowering technical education for women since last 18 Years. During this ambitious journey, we are very proud to have our alumna in top positions of various esteemed organizations across the world. CET has a very rigorous selection process for admission in to its wide variety of programs. An exclusive entrance exam for all B.Tech Programs -MEET (Mody University Engineering Entrance Test) is conducted for all engineering aspirants.

PBL Phase-II evaluation of B.Tech I to III year, BCA, MCA and M.Tech I year courses of CET was held during November 27 to December 2, 2017. The evaluation was out of 15 marks. The projects were judged by panel consisting of faculty members. From each subject top 3 projects were selected.

ACADEMIC ACHIEVEMENTS

- Prof. Anil Kumar (HOD, CSE) has been elected as executive committee member of IEEE Rajasthan for 2017-18
- Mr. Kaushik Ghosh has submitted his PhD thesis at Jadavpur University, Kolkata.
- Mr. Suneet Gupta has submitted his PhD thesis at Mewar University, Chittorgarh.
- Mr. Pinaki Ghosh has submitted his PhD thesis at RK University, Rajkot.
- Ms. Ritu Tak & Ms. Ranjana Thalore have successfully defended their Pre-Synopsis of PhD thesis at Mody University, Lakshmangarh.
- Two other research scholar of CET Ms. Sheena Kohli & Ms.
Priyanka Joshi has also successfully defended their Pre-Synopsis of PhD thesis at Mody University, Lakshmangarh.

- Prof. N. K. Joshi delivered two invited talks in SERB School on “Plasma devices: Science & Technology” held at CSIR-CEERI, Pilani. The first lecture on “Plasma Radiation Mechanism” was held on Dec. 19, 2017 and another lecture on “Experimental measurements in spectroscopic diagnostics” was held on Dec. 20, 2017. The SERB School was fully sponsored by Department of Science & Technology, New Delhi.

- Ms. Ankita Kulhari, Research Scholar in department of Nuclear Science & Technology attended the SERB school on “Plasma devices: Science & Technology” held at CSIR-CEERI, Pilani from Dec. 4 – 22, 2017. The participation was fully sponsored by Department of Science & Technology, New Delhi.

- Three final year students of M. Tech. (Nuclear Science & Technology) have been permitted to do their dissertation work at prestigious research organization. Ms. Bhawna Sharma will be working at RRCAT, Indore on Cyber Security, Ms. Surabhi Chaudhary will be working at CSIR-CEERI, Pilani on Plasma Devices and Ms. Ruby Badesra will be working on Gamma spectroscopy for Uranium estimation.

- Mr. P.K. Bishnoi and Mr. Kaushik Ghosh were nominated from CET to attend Faculty Development Programme (FDP) on Cloud Computing conducted by Infosys at University Institute of Engineering and Technology, Panjab University, Chandigarh. The duration of the training was during December 4 - 8, 2017. The training was preceded by a pre work on Cloud Computing. During the training different aspects and challenges of Cloud Computing were discussed in details. Moreover, there were hands on sessions to make the participants familiar with working of the cloud computing portal from Amazon – Amazon Web Services (AWS). The final day of the training was for submission of the projects. The final evaluations of the participants were done based on their performance of the test along with the working of their projects. Both of our faculties were awarded with the highest A+ grade for their performance in the training.

• Mr. Atul Kumar’s paper titled "Comparing Parametric Optimization of the Machining Parameters of Al2024-Sic for MRR using Taguchi and Applied Statistical Plots", was published in SCOPUS indexed journal IJMPERD has been selected as 'BEST Paper' by the jury of TJPRC’s Review Board.

QUOTE OF THE MONTH

“Never think there is anything impossible for the soul. It is the greatest heresy to think so. If there is sin, this is the only sin; to say that you are weak, or others are weak”.

Swami Vivekananda

PATRON – PROF. V. K. JAIN
CHIEF MENTOR – MR. KAUSHIK GHOSH
MENTOR – MS. MOUMITA GHOSH
