Mody University of Science & Technology

Lakshmangarh – 332 311, Distt. Sikar (Rajasthan), India

INTRODUCING MODY UNIVERSITY

The Mody University is a Private university aimed at helping the girl population avail quality education with world-class techniques in an IT-savvy environment. It gives the students an opportunity to study the subject they want. They can choose from numerous undergraduate and postgraduate courses of different disciplines like Arts, Science, Commerce, Engineering, Management, Law, Fashion, Interior Design, Architecture, Physiotherapy, Agriculture etc.

Within the University grounds, you will find interactive classrooms, large sports courts, natural beauty, places with spiritual essence and the entire site filled with artifacts. This, in turn, does not only provide the best learning platform to the women but also ensures that they are made aware of the cultural heritage of the country.

About the University

HISTORICAL BACKGROUND

The Mody University was established in the year 1998 by **Shri. R.P.Mody**. He is a true visionary who took an idea ahead of his time and founded Mody University exclusively for Women. His philanthropic attributes, operated in terms of social and psychological promotion of the women community, led him to impart his proposed vision through practical infrastructure.

The University instills the thought that is fully capable of orienting knowledge and information in a scientific manner in the minds of the common mass. This acts as a boon towards the development of a 21st century perspective of the knowledge acquisition process implemented within the university.

VISION

Committed to excellence, we seek to advance education and enhance knowledge to develop transformative skills in women fuelled with innovation, research, integrity, environmental consciousness, social and ethical sensitivity to create the finest women leaders, technocrats and social innovators.

MISSION

- To create a supportive ambiance in which new ideas and innovation flourish, and from which the leaders and innovators of tomorrow emerge.
- To address contemporary issues and provide solutions at the local, regional, national and global level.

- Mody University is running several Research Projects sponsored by Government Agencies.
- MoUs with various international universities and renowned research institutions and international internships and fellowships for students international scholarships and internships offers from the top-notch companies and research laboratories like GE Foundation, USA and GSI, Darmstadt, Germany.
- Strong Industry-Academia Interface culminating in record placement in MNCs and top notch Indian Companies like Infosys, Accenture, Ericsson, IBM, TCS, Wipro, Bank of Baroda, Deutsche Bank, Punjab National Bank, Patni Computers, HCL Technologies, Citi Financial, ICICI, ICFAI, Satyam Mahindra, IFB, I flex, Motorola, Nokia, Siemens Networks, ST Microsystems, Texas Instruments, etc.
- Foreign and NRI students are also admitted.

Chairman's Message

SHRI R.P. MODY
CHAIRMAN

I have always been passionate about educating women because I strongly believe that they possess unlimited potential and with the right education and encouragement, they can move mountains.

I believe that “knowledge is the beginning of spirituality“ and if we can inculcate the rich Indian values, heritage and age old traditions infused in science, a flawless character can be developed.

This led to the foundation of Mody University of Science and Technology in the University town of Lakshmangarh, Rajasthan. The University is the Leading and foremost educational hubs for Women in the country, with more than 10,000 women graduating from various schools since its inception.

The University is built with the objective of nurturing excellence in every woman through an experienced faculty, world class infrastructure at the campus which is set in beautiful and secure environment.

President's Message

The University has always been at the helm of educating, nurturing and positively shaping the young minds of students who join every year. Innovation and advancement is the core of our University and we are proud of its many achievements. Each year, research papers, articles and numerous books covering a vast array of topics are published by our eminent faculty members. Students not only excel in academics, but also in sports and other co-curricular activities. Our students have won laurels at various national and international competitions and our brimming mantle bears witness to their multi-faceted excellence.

The underlying precept of Mody University is “Learning is the beginning of spirituality.” It is our unflinching belief that enriching the minds and nourishing the souls of students is an integral part of education to ensure their academic, intellectual and spiritual evolution. Our sprawling green campus and its serene setting, state of the art infrastructure, high-tech laboratories aid in honing their skills and providing them with an environment where they can learn, grow and thrive. Spirituality is in the ambience of Mody University.

We aim at being the University where students come not only to study and get exceptional placements, but also where their imaginations fly high and their aspirations find a home. We are here because we believe that women will lead us into a future filled with promises.

Preamble

In the same academic year, more than 20 PhD were awarded which is record highest in Mody University in an Academic Year. As on date, more than 70% of the faculty members of the Institute are Ph.D. which is a remarkable achievement for academic and research purpose. The Institute envisages 100% PhD qualified faculty members in next coming years.

This Annual Report for 2018-19 highlights the current state of SET, Mody University of Science and Technology and its achievements over the past one year. I am glad to say that the progresses made in the last year are in-line with the priorities defined in the SET Strategic Plans.

During 2018-19, we saw important developments in academic and research activities. The number of academic events including Workshops, Seminars, Lectures, and Symposia are doubled. There was also a steady rise in the number of publications and scientific presentations, a trend that will undoubtedly accelerate. Mentorship, Project Based Learning, Teaching-Learning Diary are introduced from the last academic session. The University started publishing International Journal, News Letter. It is not possible to list all the developments and improvements that took place last year, but we would like to pay tribute to the staff of MUST who, in every sector, whether Research, Administration, Facility Management, etc., have shown great commitment and competence. Last academic year was a key year in the evolution of our University and the quality of our staff has been the foundation on which we have built success.
