## BEST PAPER AWARD FOR COBMEC STUDENTS

Two students COBMEC namely Ms. Shruti Singh and Ms. Rajnanadani from BBA-III presented a research paper entitled “A Study on Indian Corporate Consciousness Towards Business Responsibility Reporting” in National Conference on Strengthening Indian Economy and Business : Nurturing the Present, Innovating the Future at Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur on 18th-19th November, 2016 and they were awarded the Best Research Paper and cash prize.

## COBMEC Students Shine at Uniquet, Pacific University

Recently, the students of Mody University, Lakshmangarh, College of Business Management, Economics and Commerce participated in “Uniquet” a management carnival conducted by Pacific College of management, Udaipur.

The two day fest from 28th -29th September had an array of events from both the fields of academics and cultural. The students participated in various events like extempore, singing, quiz, debate, business plan, sketching, nail art, dance, fashion show and gave their remarkable performance in all.

They faced stiff competition from over 50 colleges and yet proved their mettle and caliber by securing various positions in different competitions. The students secured the second position in business plan presentation, with the team comprising of team members Miss Stuti Jajoo, Miss Shalini Dwedi, Miss Prashansa Sharma, Miss Shivangi Dhaka and Miss Divya Lamba.

Miss Prashansa Sharma won the 2nd prize in the visual extempore competition, while Miss Yashi Chandra was successful in winning the 3rd prize in debate competition. The cultural team comprising of (Niharika Lalwani, Megha gupta, Simran Dingara, Udita Somani, Sindoori chaube, Sanjana Ganatra, Vinita bhatiya, Kajal jain, Nerisha tandukar ) gave their outstanding performances and won the second prize in the fashion show, smiting the audience with their gothic theme and grace.

Miss Ishita Jawal also showed her brilliant creativity and was successful in grabbing the second prize in the nail art competition. The students gave wonderful performance and the cobmec, mody university won the award for being the “All-rounder College” of the event. Overall the event was a great platform for the students to learn and show off their mettle .They indeed brought pride and prestige to the college.

## IRA- Academics Society's Event Report

On 22nd September, 2016 IRA- Academic society of COBMEC organized Debate and Nukkad Natak. The event commenced at 3 p.m. with the formal welcome of all judges, participants, coordinators and students, Joint Secretary of the Academics Society.

On 22nd September, 2016 IRA- Academic society of COBMEC organized Debate and Nukkad Natak. The event commenced at 3 p.m. with the formal welcome of all judges, participants, coordinators and students, Joint Secretary of the Academics Society.

With high spirit and enthusiasm the event started with a "Debate competition" on the Topic- Violent vs. Non-violent Revolution. Which Way Wins? 16 students participated and showed their debating skills to win the title of best debater. After this Nukkad Naatak Competition on the Topic- GENDER EQUALITY was organized in which 4 teams participated. The students gave an astonishing performance and their acting skills were commendable and appraisable. Some of their witty acts managed to tickle the funny bones of the audience.

The winners of debate were Miss. Krishna Khattar and Miss. Khushboo Aggarwal on the basis of relevance to topic, content and confidence. Judges selected Team 1 comprised of 8 members (Bharti Chhabra, Navreen Kaur, Tripti Bansal, Parul Upadhyay, Kashish Mittal, Honey Bansal, Nishtha Singh and Vidhi Allawadhi) as a winner of the Nukkad Natak competition. At last, the Vote of Thanks was given by Secretary of Academics Society for the ample support by the teachers, participants and the invited guests.

- Prof. S.S. Jaswal, Judged the Preliminary Round SAARC Round of the First Prof. N.R. Madhva Menon SAARC Mooting Competition-2016, organized by Lloid Law College, Grater Noida in association with Menon Institute of Legal Advocacy Training (MILAT), on March 4, 2016.

## College of Law and Governance has been selected and conferred with the Best Institution Award

College of Law and Governance has been selected and conferred with the best Institution Award for maintaining the ‘Excellent Standards in Academic and Extension Activities’ for the year 2016. The selection has been made out of more than 1400 (Fourteen hundred) law Colleges and Universities including National Law Universities in India. The jury for the selection was headed by the Former Chief Justice of India.

The award function was held in Hotel Hyatt Regency, New Delhi on Sept. 3, 2016. Hon’ble Mr. Justice A. K. Sikri and Justice Jasti Chelameswar, judges of the Supreme Court of India were present in the award ceremony.

Our award was given away by Hon’ble Mr. Justice Chelameswar. We were also given one ‘citation’ praising the standard of education and social context learning the law, and one ‘Brass Plaque’ mentioning about the award we received. The citation also appreciates revered Sh. R. P. Mody ji, Chairperson, Mody University

for his efforts towards educational empowerment of women with world class infrastructure. Hon’ble Justice also appreciated his effort for women empowerment, that too, in this remote area of the State of Rajasthan. (Photocopies of the both are enclosed. Kindly see the attachments.)

Padmashree Prof. Madhav Menon, Former Vice-Chancellor of the National Law School of India University, Bangalore and National University of Juridical Sciences, Kolkata and Sh. Lalit Bhasin, Chairman of the Society of Indian Law Firms, New Delhi graced the occasion. Representatives and heads of the reputed law firms of India, Vice-Chancellors of various universities, Judges and senior and renowned advocates of Supreme Court and High Courts were present in the award ceremony.

## Workshops

Department of Computer Science and Engineering, College of Engineering and Technology (CET) had organized a one day workshop on the occasion of Engineers Day, September 15, 2016 on Mobile Application Development. The aim of the workshop was to introduce android application platform to the students. Students were given hands on training on the platform. They learn the steps for installing the android studio Integrated Development Environment IDE and also to execute and incorporate emulator with the IDE. Forty

students participated and resulted in development of some sample apps. A three day C Language Workshops organized by CSI student chapter UTKARSH, Mody University of Science and Technology for the students of 1st year from September 29, 2016 to October 1, 2016. The main aim of the workshop was to focus on the basics of C Language and programming skills to enhance further and higher level of coding of the students. 36 students attended the Workshop.

Student Chapter of the Computer Society of India, Mody University

organised a 4-days workshop on "Cloud Computing" under the guidance of Dr. Sunil Kumar from February 4-7, 2017 scheduled between 9:00 am- 5:30 pm. Mr. Ashutoshh Singh (Red Hat Certified Trainer) was the main resource person for hands on training. 52 students from B. Tech. and M. Tech. participated in the workshop. The workshop was aimed at making the participants familiar with the Cloud Computing Technology and Linux. Some of the major contents covered in the workshop were:

- High level introduction of Linux

and its internal architecture

- Linux device management
- BASH shell scripting
- Hard disk partition management
- Introduction to cloud and its components.
- High level introduction of SAAS and IAAS

The participants were also provided with the handouts and a CD for future references.

## Students Activities

- The CSI student branch was formally inaugurated on March 8, 2016. The inaugural ceremony was attended by senior faculty and students. Prof. Anil Kumar, Head CSE department and Dr. Sunil Kumar, Student Branch Coordinator addressed the gathering and emphasized on conducting events regularly. Membership cards were given away to the students. A poster competition was also held to mark the CSI day celebration and cash prize was distributed to the winner.

- IEEE Xtreme 24-hour Programming Competition was held

from October 22, 2016 to October 23, 2016. IEEE Xtreme is a global challenge in which teams of IEEE Student members, supported by an IEEE Student Branch and advised and proctored by an IEEE member; compete against each other to solve a set of programming problems during a 24-hour time span. The competition is inaugurated by Dr. V. K. Jain, Dean (CET) and Dr. Anil Kumar, HOD (CSE). The competition has been organized in CAD Lab (ABB), ground floor. Four teams have participated. Two Proctor were there to supervise and

to provide the necessary support to the participating team. All active participants had received a digital certificate and gift from IEEE.

EC Workshop

Beacon every year organises a two-day EC workshop for first year students. In this workshop, BEACON members ensure that they can provide maximum knowledge about the basic electronics to the first year both in practical and in theory. It was held on 13 and 14 of September 2016 from 4:30 pm to 7:30 pm in the Electronics Laboratory.

Topics covered in this workshop are

as follow:

- Basic introduction to electronics and its components
- VI characteristics of junction diode and zener diode
- Half wave rectifier with and without capacitor.
- Full wave rectifier with and without capacitor.
- Clipper and Clamper.
- Soldering and De-Soldering.

## Engineer's Day Celebration (INNERVE)

Every year the birthday of Dr. Mokshagundam Visvesvaraya, i.e. September 15, is observed as Indian Engineer's Day. On this auspicious occasion, the members of BEACON, organised their annual event, INNERVE (Innovation in our Nerves) from 10:30 am to 1:45 pm in room no. ABB-32. The event was attended by engineering students and faculties from all branches. The event constituted of technical presentations and quizzes, apart from other non-

technical games like tongue twister, riddles, reverse spell bee, etc. The event began with introduction of INNERVE by Ms. Nikita Jain and Ms. Nishita Parmar, ECE 3rd year. This was followed by a brief introduction to Engineers day and biography of M. Visvesvaraya by our mentor, Dr. Rajeev Pourush. We then had a short message from HOD of Electronics and Communication Engineering, Prof. P. K. Ghosh and a presentation by Prof. N. K. Joshi on the topic "Nuclear

Energy and Sustainable Development". Coordinator – Student affairs Mr. N. S. Baruaole also gave us a short message about the life of Dr. M. Visvesvaraya. Our mentor then presented Prof. Joshi, Prof. P. K. Ghosh and N. S. Baruaole with a token of appreciation. We also had presentations by BEACON members. Ms. Neha Agarwal, ECE 3rd year, gave a presentation on Cyborg, followed by a presentation by Ms. Rama Choudhary, ECE 3rd year, on

Chatbot. Ms. Nishita Singh Parmar, ECE 3rd year, explained the use of technology in armed forces through a short presentation. Ms. Himangi Gopal of ECE 2nd year spoke on „augmented reality“. This was succeeded by technical quiz, riddles, reverse spell bee, tongue twister in which the students participated actively. The winners of various games were rewarded by our mentor and team BEACON.
