INTERACTING WITH ALUMNI

Preeti Sharma, MBA Alumna (2007-09 Batch)

On 19th December 2020, the Alumni Cell hosted a bright talk with Ms. Preeti Sharma who has received her postgraduate degree in business from our university and who is currently employed as the Financial Advisor of National Bank of Canada.

While her success story in itself could suffice for the motivation that the students might need, her words made no short of an impact.

She started off the session with illustrating the gravity that one's goals and dreams hold. Strengthening her argument she discussed the

importance of having a distinct mental image of the destination that one aspires to reach and only then one would be able to direct their efforts towards the right path and employ their time in the most efficient of ways.

Talking about the cultural changes she observed the massive influence which Western Culture imparts upon us and while it has become essential to adapt oneself accordingly one must never forget one's roots regardless of their growth. She advised the young people to always strive to expand their understanding and never limit their education to mere bookish learning. In today's world of globalisation, mere mugging up of terminologies is not enough and instead one needs to strive constantly to impart new skills and proficiencies.

Wrapping up the session she talked of failure and how it should be perceived fearlessly and as a sheer learning point in one's journey toward success.

She concluded her talk with urging the student to always be grateful for how far one has come while bracing oneself for the journey ahead. In nutshell, the session was very inspiring!

On 19th December 2020, the Alumni Cell hosted a bright talk with Ms. Preeti Sharma (2007-09 Batch)

ALUMNI INVOLVEMENT

Talk by Dr. Anamika Chauhan
on Leading with Authenticity
in the year 2019

'LEADING WITH AUTHENTICITY' WITH DR. ANAMIKA CHAWHAN

BY: PHALGUNI

Post-graduate students had a session on "Leading with Authenticity" with Dr. Anamika Chawhan, an alumna of School of Business (MBA Batch 2007-09), Mody University. She is now a life coach and a trainer of professionals. She has also received the "Most Impactful Woman Entrepreneur and Life Coach" award at Indian Icon Awards 2019 by Zee Business in association with Blindwink and Brandz, at the hands of Actress and Miss Asia-Pacific, Dia Mirza.

*Awarded for
"Most Impactful
Woman
Entrepreneur and
Life Coach"*

Leading with authenticity is knowing who you are and knowing your core beliefs, no matter what you do. This has to happen internally and externally. An ethical value system and positive core

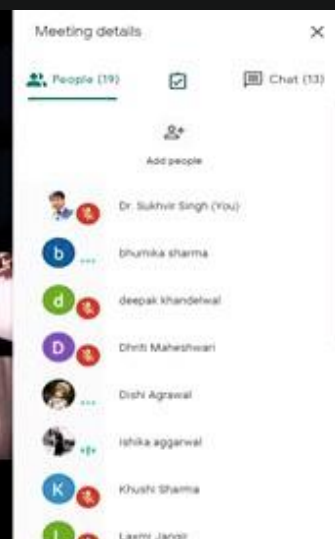

workplace.

beliefs help leaders to be authentic. She elaborated that to increase our performance, an individual needs to find their key competency and build their skill set. Automatically the performance will lead you to the success.

She focused on the boundary that prevails around us. It means that there are some incidents or situations which might bring us down but there is a line which we need to exceed so that we can meet our own expectations. She added that being authentic will help you be successful leader and authenticity weighs more than the superficiality.

She reckoned that being a leader is a choice and if we want to be successful, we must try our hardest, be focused, and most importantly, value time. She feels that it's only the model of choice that prevails.

She believes that this is the phase where the students should be like a 'sponge' which absorbs the learning, understands it and then reflect accordingly. She was a source of inspiration for the students and gave wings to their imagination and motivated them.

Ms. Chandini Jain an Entrepreneur (Alumni 2015-19 batch) shared her experience with the newly admitted students on School of Design and Mody University on various aspects. It was such an amazing session; our alumni cleared almost all their doubts related to the internships, placements, hostel life, faculty coordination, food etc.
