DIPLOMA IN JAPANESE

Programme Level: Diploma

Duration: One Year (Two Semesters)

No. of Seats: 20

Objective:

Japan is the first country in East Asia to tread the path of economic modernization and become a global power. The successful partnership between the industries of India and Japan has further opened up tremendous job opportunities for Indian youth armed with knowledge of Japanese language. In this scenario, the need to introduce a diploma course has strongly been felt.

This diploma course intends to cater to those students who have a basic knowledge of Japanese and who further want to enhance their Japanese language skills. After the successful completion of this course a student would be able to listen and comprehend conversations encountered in day to day life. One would also be able to read and understand passages on familiar daily topics written in basic vocabulary and kanji (Approx. 300). Apart from this, the said course aims to help in developing cross-cultural understanding between India and Japan that would strengthen the cultural and economic relationships between these two Asian economic powers.

The first batch of the programme in MITS is proposed to be admitted in the session 2013-2014.

Input Qualification:

Candidate should have completed one year certificate course in Japanese from MITS, or equivalent.

Evaluation Procedure:

All Rules and Regulations as provided in the Ordinances and Regulations of Undergraduate Programmes shall be followed.
