Dear Jeetu Sharma :

It is a great pleasure to congratulate you on your elevation to the grade of IEEE Senior Member. Only 10% of IEEE's more than 400,000 members hold this grade, which requires extensive experience, and reflects professional maturity and documented achievements of significance.

As a token of appreciation, IEEE is pleased to offer you the enclosed opportunity, good for a new one-year membership in an IEEE Society. Along with that, you have four discount referral certificates you can pass along to invite other prospective members and notify them of your achievement. You will also receive a Senior Member Plaque in about 10 to 12 weeks.

If you wish, I would be delighted to write to your employer, notifying him or her of your elevation to this high grade of membership. To have this letter prepared and sent, please complete the online form at: <http://www.ieee.org/smnotify>.

Congratulations on this significant milestone, and thank you for your contributions to the profession, and to IEEE.

Sincerely,

Susan K. (Kathy) Land

Subject: Dr. D.S. Kothari Post Doctoral Fellowship (Normal)

Dear Sir/Madam,

I am pleased to inform you that after due process of merit evaluation of your application and on the recommendations of the MHRD Empowerment Committee, University Grants Commission has selected you as the UGC-Dr. D.S. Kothari Post Doctoral Fellow. The postdoctoral fellowship (PDF) is tenable for a period of upto 3 years for research in the chosen area as accepted by your Mentor Prof. Ravi Singh, Chemical Sciences Central University of Gujarat Gandhinagar 382010, Gujarat.

1. The awardee shall have to join the Department and the Mentor as early as possible but not later than a period of 6 months from the date of issue of the award letter. A soft and hard copy of the awarded format duly filled in may be sent to UGC on the email ID of Education officer (S&D) i.e. education@ugc.gov.in.
2. The maximum duration of the PDF award is 3 years. The fellowship is awarded on yearly basis with renewal/extension clause, on the basis of Approval of the PDF's monitoring report. We have to give an undertaking to UGC, while joining the PDF award, duly endorsed by the Research Mentor that you would undertake the PDF project, as per your proposal, in the stipulated time-frame through the Registrar of the University.
3. You would be paid a monthly Fellowship of Rs.34,100 (Bridging Fellowship), Rs.43,400 (Normal Fellowship) for first year Rs.43,400, the second year Rs.45,000 and for third year Rs.46,500 (Higher Fellowship). Candidates, who have not yet been awarded Ph.D. degree, "Bridging Fellowship" would be paid 28% Ph.D. degree is awarded.
4. In case, subsidized accommodation is not provided by the university, applicable HRA as per rules would be paid.
5. The PDF award will carry a contingency grant of Rs.1,00,000/- p.a.
6. This is a Direct Benefit Transfer (DBT) scheme. The grant is released through Canara Bank to the selected candidates. The awardee should submit the joining report in the prescribed format (enclosed Certificate I) along with the Award letter to the designated branch of Canara Bank, duly signed by the Head of the Department of the University and transferred to the Registrar. After verifying the joining report of the fellow, the Canara Bank branch will release Fellowship for the next three months.
7. At the end of every three months the fellow has to submit Continuation Certificate in the prescribed format (enclosed Certificate II) to the designated branch of Canara Bank in order to become eligible to draw Fellowship for the next three months.
8. The concerned fellow has to submit the IMA certificate in the prescribed format (enclosed Certificate III) to the designated branch of Canara Bank to avail the House Rent Allowance. The IMA certificate has to be submitted after every three months.
9. The Contingency grant is also being disbursed in the awardee's account. The awardee has to utilize the grant with the approval of Mentor as per university norms. After the end of one year the concerned fellow has to submit utilization certificate of Contingency grant in the prescribed format (enclosed Certificate IV) to the designated branch of Canara Bank. Thereafter the contingency amount for the next year will be released.
10. In addition, the awardee shall submit Annual Progress Report in the prescribed format through the respective Mentor with a certificate of satisfactory performance from the date of commencement of the project, to UGC National Co-ordinator of Dr. D.S. Kothari Postdoctoral Fellowship Scheme at education@ugc.gov.in, with a subject title Annual Progress Report. In case, the research work is found unsatisfactory, the award is liable to be discontinued.
11. The awardee shall also submit electronically Annual Progress Report of the research work through the respective Mentor with a certificate of satisfactory performance from the date of commencement of the project, to UGC National Co-ordinator of Dr. D.S. Kothari Postdoctoral Fellowship Scheme at education@ugc.gov.in, with a subject title Annual Progress Report. In case, the research work is found unsatisfactory, the award is liable to be discontinued.
12. The awardee shall invariably mention in all research publications that the research has been sponsored by the UGC Under the UGC-Dr. D.S. Kothari Post Doctoral Fellowship Scheme.
13. The terms and conditions under the award as may be amended from time to time by the Commission shall be stated by the awardee.

Yours sincerely,

Invitation Letter

To whom it may concern,

It is a pleasure to notify that we have accepted Mr Sanjeev Jakhar as a visiting researcher at the Institut für Werkzeugmaschinen und Fertigungstechnik - IWF (Institute of Machine Tools and Production Technology) of the Technische Universität Braunschweig for the period between November 1st 2016 and January 2nd 2017. He will work within the project „Engineering Education in India: Joint Indo-German Experience Lab“, funded by the DAAD (Deutscher Akademischer Austausch Dienst – German Academic Exchange Service). The DAAD will also cover Mr. Jakhar's travel and living costs. This scholarship covers Mr Jakhar's travel and living costs up to a maximum of 2,695 € (575 € for travelling and 2,120 € for living costs). The IWF will provide an office space during his stay in Braunschweig.

His passport details are

- 1) Surname: Jakhar
- 2) Given name: Sanjeev
- 3) Passport No.: H5668113
- 4) Valid up to: 15/09/2019

It is requested that a visa may please be granted to him for the above mentioned period to enable him to conduct research in Braunschweig.

Yours Sincerely,

Prof. Dr.-Ing. Christoph Herrmann

Ref: BHAVAN 2017 Internship/1/ Sanjeev Jakhar

06 February 2017

Dear Mr. Sanjeev Jakhar,

Congratulations on your selection for the **prestigious Building Energy Efficiency Higher & Advanced Network (BHAVAN) Internship Program supported by the Department of Science & Technology, (DST), Govt. of India, and the Indo-U.S. Science and Technology Forum (IUSSTF).**

The objectives of this program are to provide an opportunity to the best and brightest Indian students to gain exposure and access to world class research facilities in leading U.S. institutions; to promote research and capacity building in the frontline area of Building Energy Efficiency, to encourage and motivate outstanding students to take up research as a career path and to pave the way for the next generation scientists and technologists from India to interact with American peers, thus helping to build long-term R&D linkages and collaborations.

For the Internship, you would be travelling to **University of Nevada, Las Vegas, USA**, for a period of **3 months tentatively from first week of June 2017 to end- August 2017**. Please note that your travel needs to be initiated before **31st July 2017**.

The Internship awarded to you will cover the following:

1. **Round-trip air-ticket:** Air-tickets would be provided directly by the IUSSTF Travel Desk by economy class and shortest route. You are advised to contact traveldesk@indousstf.org
2. **Stipend @ US\$ 2,500/- per month**
3. **Health insurance** upto US\$ 500 or at actuals.
4. **Contingency or preparatory allowance** to cover expenses for obtaining U.S. Visa, airport transfers in India and U.S.A, etc. up to a maximum of INR 50,000/-

The expenditure should be incurred strictly in accordance to the *Terms & Conditions* (please refer to enclosed document) governing the BHAVAN Internship. It is expected that due recognition to DST and IUSSTF is made in all scientific publications, presentations etc. connected with this Internship.

If you need any further information, please feel free to contact my colleague *Dr. Nishritha Bopana* and *Ms. Subhashree Basu* at energy.fellowship@indousstf.org

I wish you an academically rewarding experience through this prestigious Internship.

Best wishes,

(Rajiv Kumar Tayal)

Tour Technical Details

Academic highlights & new developments presented at the Event (200 Words):

In the present paper an integrated system (EWHE and PV/T) has been simulated using transient simulation tool (TRNSYS v17.0) for local weather conditions of Pilani, Rajasthan. In the analysis the burial depth for EWHE as taken 3.5 m while the length of pipe as considered 30 m. Results show that the maximum panel temperature dropped significantly from 79.31 °C to 46.29 °C for mass flow rate of 0.022 kg/s when it is operated with EWHE. The electrical conversion efficiency of PV/T panel was increased by 2% when it is coupled with EWHE. The maximum power output from PV was found to be 140.3 W without cooling, while with cooling it is increased to 163.94 W for 0.026 kg/s flow rate. It is observed that for 6 hours of operation of system, the cooling capacity of EWHE increases from 2038.9 kWh to 3732.8 kWh as mass flow rate increased from 0.006 kg/s to 0.022 kg/s respectively. Simulation results of the study confirmed that the EWHE system with PV/T is quite effective for PV cooling during summer season as it increases the electrical efficiency up to 11%.

Applicant's Contribution at the Event (200 words):

The applicant has presented the research paper on "performance analysis of photo voltaic panels with earth water heat exchanger cooling". The presentation was highly appreciated by the session chair and audience. The technical know-how and scientific discussions with eminent researchers and professors had been carried out for future collaborative research.

Visits to other Scientific Institutions / Universities during participation in the Event, if any (200 words):

I have visited the mechanical engineering laboratories of Thammasat University Rangsit Campus Bangkok.
