Key pointers:

Technical Batches (B.Tech, BCA, MCA, NST, BME)

- There are 3 batches, same that we had during Offline Sessions.
- Each batch will have 2 hours of training per day.
- Session details per batch will be: Quant - 18 hours; Reasoning - 12 hours; Soft Skills & Personality Development - 10 hours
- Three weekly tests and 4 Major Tests
- A total of 40 hours of training per batch

MBA Batch

- Session Details will be: Soft Skills - 12 sessions of 24 hours; Aptitude - 3 sessions of 6 hours
- A total training of 30 hours
- Three weekly tests

Thus a total of 4 batches will run in parallel. Batch details are in the sheet attached.

Attendance for the sessions will be shared with you on daily basis and we request **strict action** to be taken on the defaulters, since it is very common for the kids to remain unavailable for the online sessions as we have less control over them.

Campus Recruitment Training - Proposal

OVERVIEW

We focus on custom designed training programs, which consist of Language Proficiency, Technical Training, Soft Skill Development and Aptitude for Students from various Branches which enable them to bag a job (government/private) and help in career progression at different levels of their careers and in the second phase we test the students through various mock drives.

We are dedicated to the development and delivery of world class programs for empowering learners in institutions and organizations.

THE NEED

Are technical or job-related skills enough to get a job and career progression?

Technical and job-related skills are a must, but they are NOT sufficient when it comes to progressing up the ladder. With the traditional paternalistic style of leadership becoming passé, professional managers expect their teams to be **proactive** and **communicate openly**.

There are many factors to be considered when designing a successful, fulfilling career, but the one most often overlooked is aptitude. **While you may be able to do anything, you put your mind to, that doesn't mean you'll be able to do it well**.

"**Soft skills** again are very important in business. It is essential to be technically sound, but one should also have the ability to convey the idea to the masses in the simplest possible manner,"

OBJECTIVES

After successful completion of this training the students should be able to:

- **Analyze their interests, strengths and weaknesses** in the related job field
- Learn the **basics communication methods**: Reading-Listening
- Develop aptitude skills for Campus Selection of various Private Sector Companies
- Compose solicited and unsolicited **job application letters**.
- Determine the appropriate length, format and content for their **resumes**.
- Prepare for a job-related **Group Discussion**.
- Prepare for an **employment interview**.
- Over all Personality Development
- Bridge the gap between the students and the organization by bringing the companies to the college campus by providing them the technical knowledge related to their respective branch.

CAMPUS RECRUITMENT TRAINING

SKILL DEVELOPMENT/PERSONALITY DEVELOPMENT

The program primarily focuses on those elements of training that requires changes in behaviour and thinking. Organizations today recognize the strong relationship between the soft skills of their employees and effective customer relationships.

OTHER INCLUSIONS:

1. **Study Material –** Quality study material comprising of theory and questionnaires from various Placement Papers drives, designed by our experts.
2. **Online Portal –** Students will be allowed to access our online portal, where-in more than 100 question papers from various topics/companies are available for the real-time analysis.
3. **Pre-& Post Test**
4. **Final Report Submission**
5. **Mock Sessions**

FINACIAL SUMMARY:

Number of Students	Minimum 200
Number of Batches	3
Total Training Hours Per Student	145 Hours
Mock Sessions (In Hours)	15 Hours
Total Cost Per Student	INR 5800

The whole concept is designed to remove the overhead incurred by the college management for the training, both mentally and financially.

In this process, we seek disciplinary control over the students from the college management. We look forward for an early response and a healthy association.

Thanks, and Regards

4. SWANIT will ensure the smooth conduction of training programme and maintain the documents related to training programme.
5. SWANIT shall protect all assets of the Mody University that come within its control and ensure that all information respecting to Mody University that comes to its knowledge on account of this agreement is protected, kept confidential and not disclosed to any third party unless required to do so in due course of law after prior intimation of such proposed disclosure to Mody university.
6. That SWANIT shall comply with "zero tolerance" practice of the Mody University, towards bribery and corruption and ensure that any overt or covert attempt by any employee of seeking illegal gratification, whether in cash or in any kind, is reported to the Mody University immediately.

Responsibilities of Mody University:

7. Mody University will provide SWANIT the slots for training sessions before 2 weeks at least and will not make frequent changes in training slots given to SWANIT.
8. Mody University will provide SWANIT the proper class rooms with all basic facilities like white board, marker-duster, Projector, Sound System in their own premises for the training program.
9. Mody University will provide a coordinator (SPOC) for the training project who can support SWANIT trainers on different administrative matters and maintain the records of attendance, sessions conducted, trainer's presence etc.

Terms and Conditions:

10. The program would be conducted/ materialized at the Mody University campus only. The facilitators (Trainers) of SWANIT would visit Mody University campus to conduct the above mentioned training.
11. The program would be for all registered students of B.Tech 2015-19 batch of Mody University having 3 batches with a minimum of 200 students for the above training programme in academic year 2017-18. Mody University would provide branch-wise list of students, before the commencement of training program.
12. SWANIT or its representative (s) will not interact with the students of Mody University through any other means, other than classroom sessions/ practice sessions, including phone calls, social media, etc. without the written permission from the competent authority of University.
13. Training delivery will take place in 4 hours per day, as discussed with/ as required by the institute administration, so as to bring better productivity of trainers and thereby students performance.
14. Once the MOU is signed, it will not be signed again for the same tenure. There can always be some modifications/ amendments with the consent of both the parties.
15. The sessions would be scheduled in a manner such that each facilitator of SWANIT coming to Mody University Campus is able to conduct 4 hours of training each day per

batch (minimum 60 students) of their visit. Deviations from this would be only in exceptional situations.

16. The sessions conducted will be verified in return, on each day, mutually by the manager/facilitator of SWANIT and HOD/Coordinator of Mody University.
17. SWANIT would ensure that its facilitators reach before time and conduct quality training sessions at Mody University.
18. The consultative mechanism between SWANIT and Mody University would be devised to assess SWANIT trainers' performance. Mody University will immediately inform project head – SWANIT if any trainer does not perform well or creates any problem in smooth conduction of the program. Trainer, who fails to perform, will be substituted by SWANIT.
19. The responsibility would lie with Mody University in providing dates for completion of all sessions in academic year 2017-19. In case completing the sessions is not possible on the regularly appointed days, make-up sessions could be conducted on some other mutually convenient day or in the workshop mode at the end of the semester. Both the parties in mutual consent can take decisions which will be helpful in improving the training; this may include change of trainer, modules to be delivered. The decision to change the trainer may be taken on the basis of students' feedback in accordance with the staff/management.
20. SWANIT will submit the bills as per the signed number of hours and students. This is the responsibility of Mody University to provide the schedule for the completion of total number of training hours.
21. Mody University will ensure the proper communication/ information 2 days in advance if any deviation occurs in their academic calendar that may affect the training sessions.
22. All the material (both Online and Offline) used by SWANIT trainers in their Student Development Sessions is copyrighted Intellectual Property of SWANIT EDUCATION HUB. No part of SWANIT EDUCATION HUB's publication may be reproduced, stored in a retrieval system, used in a spreadsheet, or transmitted in any form or by any means – electronic, mechanical, photocopying, recording or otherwise – without the written permission of SWANIT EDUCATION HUB.
23. Regular feedbacks would be provided by both parties to each other regarding the program progress. In case of any perceived deficiency in quality of services, Mody University would provide feedback within a weeks' time so that quick remedial action can be taken by SWANIT.

Financial Terms:

24. SWANIT EDUCATION HUB will charge INR 4500 (inclusive of all taxes) per student for the mentioned training programme, which will be conducted in three semesters with the B.Tech students of 2015-19 batches.

25. Mode of Payment:

(i) I Release - 50% within one week of the commencement of the classes.

(ii) II Release - 50% within 15 days of the completion of the Sessions, i.e. after students' feedback.

26. Mody University will make all the payments in favour of SWANIT EDUCATION HUB, Jaipur. Payments can be made by cheque/ draft.
27. SWANIT will raise invoice in favour of Mody University only. There will not be any role of students in making payments to SWANIT directly.
28. SWANIT will discontinue the training, in case the payment is not made after 15 days of bill/ invoice submission.
29. Mody University students enrolled in the training program, to be conducted by SWANIT EDUCATION HUB would be billable.
30. In case, the sessions are not scheduled on any of the appointed days, Mody University would intimate SWANIT EDUCATION HUB at least two days in advance. If session doesn't take place after the trainers have reached the campus, the sessions scheduled for that day would be deemed to have taken place and would be billed accordingly. In case the length of session is altered on some day, it would be considered as a normal session and billed in the normal course.

Dispute Resolution

Except for seeking injunction from the court of competent jurisdiction, every dispute, difference, or question which may at any time arise between the parties SWANIT and Mody University hereto or any person claiming under them, touching or arising out of or in respect of this MoU or the subject matter thereof shall be referred to as sole arbitrator to be appointed by a mutual agreement between the parties and if failing to agree to appoint such mutually acceptable arbitrator, to two arbitrators one to be appointed by the said two arbitrators before entering on the reference and the decision of the arbitrator (or such arbitrators, or umpire as the case may be) shall be final and binding on the parties.

The Arbitration proceedings shall be governed by the Arbitration and Conciliation Act 1996 and the seat of arbitration shall be Jaipur.

Validity of Agreement:

This agreement will come into effect from 18th September 2017 and expire on 30th November 2019, covering the anticipated term of the project. It can be extended by exchange of letters, noting the new expiration date of the training program. Either party may terminate this MoU by giving 30 days notice to the other party at the address mentioned hereinbefore.

Mody University shall not divulge or disclose the contents of this agreement without approval in writing from SWANIT EDUCATION HUB. Mody University is not authorized to reproduce any data, documents or information made available to them during currency of the Training Program. The same condition is applicable to SWANIT EDUCATION HUB also, in same manner. This

14. As mentioned in the Programme structure, there will be some workshops that shall be conducted in seminar hall / auditorium accommodating 120 students approximately.

15. Once the MOU is signed, it will not be signed again for the same tenure. There can always be some modifications/ amendments with the consent of both the parties.

16. The sessions would be scheduled in a manner such that each facilitator of TPC Consultants coming to MODY UNIVERSITY Campus is able to conduct 4 hours training minimum on each day per batch (minimum 60 students) of their visit. Deviations from this would be only in exceptional situations.

17. The sessions conducted will be verified in return, on each day of the training, mutually by the manager/facilitator of TPC Consultants and HOD/coordinator of MODY UNIVERSITY.

18. TPC Consultants would ensure that its facilitators reach before time & conduct quality training sessions at MODY UNIVERSITY.

19. The consultative mechanism between TPC Consultants and MODY UNIVERSITY would be devised to assess TPC Consultants trainers' performance. MODY UNIVERSITY will immediately inform project manager -TPC if any trainer does not perform well or creates any problem in smooth conduction of the program. Trainers who fail to perform satisfactorily will be substituted by TPC Consultants.

20. **The responsibility would lie with MODY UNIVERSITY in providing dates for completion of all sessions in academic year 2016-18. In case completing the sessions is not possible on the regularly appointed days, make-up sessions could be conducted on some other mutually convenient day or in the workshop mode at the end of the semester. MODY UNIVERSITY has all rights to change trainers as per students' demands, adding/ deleting modules to be delivered and to measure the training quality through different parameters and inform TPC immediately in case of dissatisfaction in any of the above said parameters.**

21. TPC will submit the bills as per the signed number of hours & students. This is the responsibility of MODY UNIVERSITY to provide the schedule for the completion of total number of training hours.

22. MODY UNIVERSITY will ensure the proper communication/ information 2 days in advance if any deviation occurs in their academic calendar that may affect our training sessions.

23. **All the material (online and off-line) used by TPC Consultants in its Student Development Sessions is copyrighted Intellectual Property of TPC Consultants. No part of TPC Consultant's publication may be reproduced, stored in a retrieval system, used in a spreadsheet, or transmitted in any form or by any means – electronic, mechanical, photocopying, recording or otherwise – without the written permission of TPC Consultants.**

24. **MODY UNIVERSITY will not hire trainers/ managers/ coordinators whom TPC deputes on the training project at MODY UNIVERSITY by any mean (Full time, Part time, free lancing etc.) even if trainers approach the university on their own.**

25. **Regular feedbacks would be provided by both parties to each other regarding the program progress. In case of any perceived deficiency in quality of services, MODY UNIVERSITY would provide feedback within a week's time so that quick remedial action can be taken by TPC Consultants.**

Variant C

VARIANT - A

Number of days	10
Number of sessions	20
Session duration	3 hours/session
Total course duration	60 hours
Number of topics covered	42 topics
Tests	Pre-assessment, Post-assessment and Session-wise tests (online/paper)

Note: Pre-assessment and Post-assessment tests are kept out of the training sessions. These can be conducted before and after the training sessions respectively (previous day/a day after or 1 hour before the first session and 1 hour extended after the last session)

Variant A – Description and features

- This training covers 42 topics under Quantitative aptitude, Logical reasoning and Verbal ability. This list of topics is exhaustive in nature and covers topics of almost every mass recruiter. TCS, Infosys, Accenture, Cognizant, Wipro, Tech Mahindra, MuSigma, IBM are a few to mention. Students will be fully equipped to crack the aptitude round of most of the mass recruiters after attending this 10 day program.
- Each session is dealt for 3 hours. This ensures essential question solving knowledge being shared and enough practice given.
- Every day assignments are given and are corrected (peer correction using answers given by the trainers) in the next day's classes, ensuring home practice for students.
- Short-cuts and strategies are discussed under each topic.

- Numbers system, ratio and proportion, profit and loss, partnerships and averages, time and work, time, speed and distance, percentages, SI and CI are fundamental topics under quantitative aptitude and needs to be covered to crack most of the recruiter's tests. Except Infosys, almost every other recruiter has questions from these aptitude topics.
- Permutation, combination, probability, logarithms, progressions, geometry and quadratic equations are advanced topics and are very important for cracking TCS and AMCAT associated recruiters' tests.
- Data arrangements, clocks, cubes, calendars are important logical reasoning topics for cracking TCS.
- Coding, decoding, series, analogy and odd man out are important for companies like, Accenture, Cognizant, Wipro, IBM etc.
- Data sufficiency is a very important topic for cracking MuSigma's MuApt test.
- Syllogism is an important topic for Infosys.
- Data Interpretation is a very important topic for cracking L & T Infotech, MuApt and any MeritTrac pattern paper.
- Visual reasoning is an important topic for Cognizant-MeritTrac pattern, Tech Mahindra, MuApt.
- Reading comprehension is used by most of the recruiters except Tech Mahindra and TCS.
- Sentence correction is an important topic to be prepared for almost every company except TCS.
- Critical reasoning is an important topic to clear Infosys. This topic also enhances the students' analytical thinking and logical reasoning ability.
- Vocabulary (Synonyms, antonyms, verbal analogy, idioms and phrases) is important for all recruiters' tests that having verbal as one of its sections.
- Sentence completion and para-jumbles are very important for Infosys and for almost all other recruiters except TCS.
- Articles, prepositions and interrogatives are important for Tech Mahindra. These topics improve the students' grammatical knowledge eventually helping them solve sentence corrections questions.
- Wipro, Cognizant, IBM and a few Business processing companies have questions on Voice changes and Speech.

Note: Speed maths is not included in CPC as we have an exclusive workshop on speed maths called WOWS.

Expect Infosys, almost every other recruiter has questions from these aptitude topics.
- Permutation, combination and probability are advanced topics and are very important for cracking TCS and AMCAT associated recruiters.

- Logarithms, progressions, geometry and quadratic equations are not included in the program. Questions from these topics are lesser in number and are mostly asked in specific companies like TCS and AMCAT associates.
- Data arrangements, clocks, cubes, calendars are important logical reasoning topics for TCS.
- Coding, decoding, series, analogy, odd man out are important for companies like, Accenture, Cognizant, Wipro, IBM etc.
- Data sufficiency is a very important topic for cracking MuSigma's MuApt test.
- Syllogism is an important topic for Infosys.
- Data Interpretation is a very important topic for cracking L & T Infotech and MuApt and any MeritTrac pattern paper.
- Visual reasoning is an important topic for Cognizant MeritTrac pattern and Tech Mahindra especially.
- The topics covered in this 10 day program covers almost all such recruiters serving the purposes being the one stop solution for placement preparation.
- Reading comprehension is almost used by most of the recruiters except Tech Mahindra and TCS.
- Sentence correction is a very important topics to be prepared for almost every company except TCS.
- Vocabulary (Synonyms, Antonyms, Verbal analogy, idioms phrases) are important for all recruiters having verbal as one of their sections.
- Sentence completion and Para-Jumbles are very important for Infosys especially and for almost all other recruiters except TCS

Sub: *APTITUDE AND PERSONALITY DEVELOPMENT PROGRAM*

Dear Sir/Madam,

We are honored to present you, our project on "*Aptitude and Personality Development*". We have developed this program on our ardent desire to vanish the gap between upcoming, aspiring professionals and their employability quotient. Our years of experience says that this gap generally exist due to lack of basic aptitude, reasoning, analytical and communication skills largely, which otherwise is not much emphasized part of a technical academic programs currently being executed in graduate and post-graduate colleges. The regular system of professional skill development keeps them side tracked from general sense of analytics and presentation ability.

We have come up with the project designed for the students so that they are able to acquire/revive their sense of logic and analytical interpretation along with impeccable communication skills. These students are young and shall be enthusiastic to learn and perform through our program. They will be able to understand and implement the skills in an efficient manner in order to crack company tests and corporate interviews of any sort confidently, without any inhibition. The major problem faced by students is that they are reluctant to come forward and speak/share their ideas, opinion. This inhibition is perseverant due to lack of spontaneous analytical reaction, accompanied by low confidence to communicate.

We all are aware of the fact that better IQ gives a student better chance of having a bright career. Competitive skills are required to crack any corporate test and interviews. Henceforth, the enclosed proposal provides you with details about the program and shows you how this program can be extremely beneficial to your students. We look forward to a positive response from you.

Thanking you,

Yours truly,

Rishi Bhargava

FUTURE OUTLOOK !

The need for the Student's training program has come from the fact that the corporate are these days in demand of high employability quotient. Considering the high necessity of developing certain upfront skills along with the regular technical/field knowledge, will create a quality output. We as an organization, are ardently into developing such a program that regularizes a student's aptitude and communication skills, which is essential for a value performing professional. Therefore, corporates are involved in constant development of methods to test a professional's employability quotient. Henceforth, we try to incorporate such practices in academics and student's activities, that they become highly confident and aspiring with their employability quotient

The few Benefits are as following:

- It is required to remove the lack of communication skills.
- Activity techniques which actually create interest in the mind of student to practice their skills.
- Promotes creativity & spontaneity, which actually helps in innovative mind and builds better future of India.
- Start preparing for aptitude at right time, so that students are able to crack company tests, and confront tasks analytical and logically.

Statistics of the Batch - 2016.xlsx; Test Report-WAE-1.xlsx; WAE_MUST_Mock_Test_01- Detailed Report.pptx;

Dear Sir,

As discussed, please find herewith the following, in soft copy:

a. Students' statistics (in terms of total number, registered students, backlogs, etc.)
b. Confirmed companies - for Final Placement
c. Confirmed companies - for Internship and PPO
d. Mock Test Report - Conducted by WAE
e. Detailed Report of the Mock Test - Conducted by WAE

Sir, if we see the students' statistics the most lenient company we get on campus is Accenture, who has criteria of 6 or more CGPA in the final examination, i.e. B. Tech. / MCA or M. Tech. then we have only 222 students altogether.

If we look at the scores of students, which they earned in the mock test or WAE, it's alarming. Only 15 students are crossing the minimum cutoff bar and next month we are commencing our Placement Season.

It is also to be worth mention that, to these students

a. In house training has been imparted during the whole last semester, and it is continued in this semester also
b. WAE has conducted 15 - days', i.e. more than 80 - hours' training and evaluation session
c. GainIt has conducted 15 - days', i.e. more than 60 - hours' training and evaluation session

I would also like to mention that,

a. Majority of the students of this batch are not showing interest in placement
b. Most of the students are not attending Training & Evaluation Sessions, knowing that they are not prepared enough for the coming placement season.
c. Most of the students are not turning up in the CDS meetings also.
d. Almost all students are not in contact with their University Login ID.

We have already started their final touch-up progamme in view of the coming recruitment process, which is going to be started from 25th September, 2015 and people from WAE are taking finishing classes on:

a. Aptitude
b. GD
c. Interview Skills

majority of students are not coming to the sessions.

In the first week of the next month we have classes by GainIt also.

You are therefore, requested to kindly look into the matter and do the needful.

Thanks

Sudhanshu
