Sub. : Request for approval of merit-cum need based scholarship

Dear Sir,

With reference to the above mentioned subject, we are in the process of finalizing the merit cum need scholarship awards for current academic session. The two students namely Ms. Richa Sharma Pareek and Ms. Anjali Jhala, both enrolled in B Sc I year are eligible for the scholarship of amount Rs 29000 and Rs 14500 respectively (in lieu of the marks obtained in the last qualifying examination).

Tuition fee Rs 58000/-

In addition to this scholarship, their parents requested for additional scholarship to the former Dean CASH and the admission team were verbally instructed to sanction an additional Rs 10000/- scholarship amount to each student as the parents agreed to admit their ward provided the additional scholarships were given to them.

In principle, no one could be eligible for more than one scholarship, but keeping in mind the commitments made earlier to the students, the case may be considered for special onetime clearance.

Ms. Palak had scored above 90.50% in 10+2 and hence got 100% scholarship (Rs. 58,000/-) in the first year (2017-18 batch). In the second semester due to electrocution, her elder brother died. Few months before this tragedy her father had expired. This double tragedy had affected her studies and she could not do well in the first year and only scored CGPA of 6.39. Due to less CGPA, 100% scholarship could not be continued in the 2nd year. However, on the compassion and humanitarian ground, we can think of offering her merit-cum-need-based scholarship.

All the applications of the students duly filled in with recommendations are enclosed. I request you to kindly approve and sanction the scholarships amounting **Rs. 60,000/-** applied for the year 2018-2019.
