INDO WESTERN FASHION SHOW

DATE: 2nd Nov.2020 (Monday)

“Walk the hallway like the runway”

Fashion show is an event primarily organised to showcase couture. It has been a major part of cultural event since many years as it gives a student the freedom to become creative and think out of the box. It gives a creative turn to a student's way of thinking and lets him or her express themselves in a more individualistic manner away from the conservative mainstream thoughts.

Everyone present in the event was a witness of refined and aesthetic expression of students. Ten students participated in the competition and walked with grace and confidence. It not only gave participants an open space for their formulation but also enhanced their self- belief along with improving their sporting and competitive behaviour.

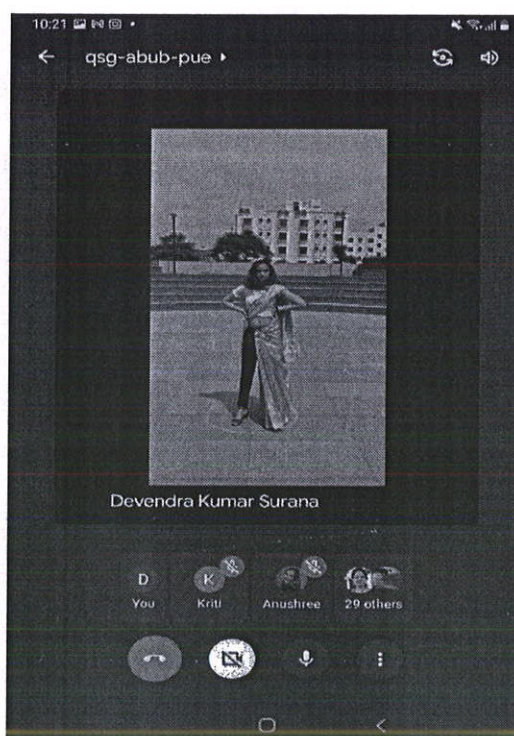

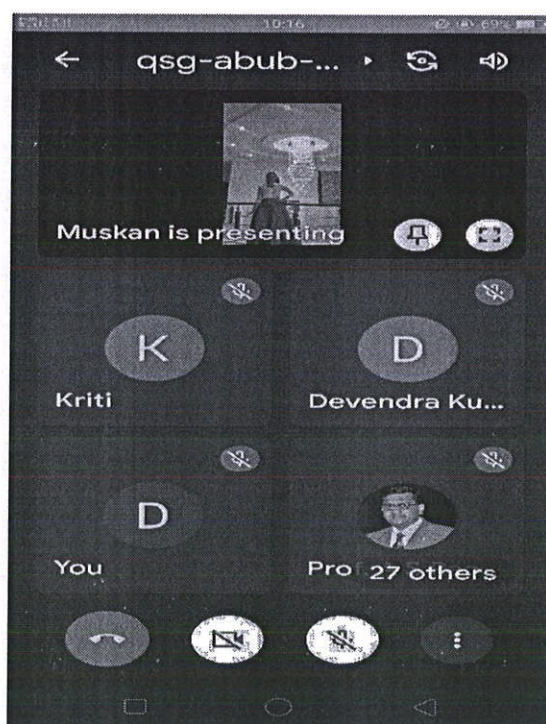

The event was judged by Dr Kriti Vashisth, Assistant Professor, SLAS; and Dr Shreya Choudhary, Assistant Professor, SLAS.

SEMI CLASSICAL DANCE COMPETITION

DATE: 1st Dec.2020 (Tuesday)

Dance is more than the exploring of different ways to make a shape or learning a series of steps to music, it is a way of moving that uses the body as an instrument of expression and communication. Semi-classical dances are fun and fluid. This competition was held under the guidance of Dr. Uma Bharadwaj Dean SLAS. The coordinator of this competition was Dr. Sangeeta Jhajharia. The competition took place on an online platform (google meet). By organising this competition our university not only gave the chance to students to show their talent and divert their mind from their daily lockdown routine but dancing is a way to stay fit for people of all ages, shapes and sizes. It has a wide range of physical and mental benefits. The competition was judged by Dr. Kirti Vashisht and Dr. Shreya Choudhary. The students enthusiastically participated in the competition. The participants were given two options either to show a pre-recorded video or to give a live performance.

The competition throughout went smoothly. The judges and audiences were extremely delightful by the performances.

The competition started with the welcome address of dean SLAS. Then Dr. A.S Rao H.O.D of arts department introduced the judges and participants which was then followed by the performances. At the end of the competition, Dr. Sangeeta Jhajharia extended vote of thanks.

INDIAN BRIDES FASHION SHOW

DATE: 28th Dec.2020 (Monday)

Fashion is the armour to survive the reality of everyday life and showcasing it in an elegant and graceful manner is what makes it a fashion show. This fashion show competition was held at SLAS under the guidance of Dean of SLAS, by the cultural coordinator Dr. Sangeetha Jhajharia .

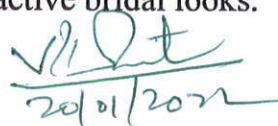

By organizing this event our university not only gave students a good opportunity to divert their mind for some time and to come up with the unique ideas and showcase their talents who have been hedged up at their homes due to the adversity of the pandemic.

Keeping the corona protocols in mind the competition took place on an online platform (Google meet) amongst ten students from different backgrounds and courses of SLAS. The competition was judged by Dr. Kirti Vashishta and Dr. Shreya Choudhary who were extremely unbiased on their part. The students also made an excellent contribution and enthusiastically participated. The participants were given two options either to show a pre-recorded video or to give a live performance.

The competition started with the welcome address of Dr. Uma Bhardawaj, Dean-SLAS. Dr. A. S. Rao, HOD (Arts) introduced the judges and participants which was then followed by their performances. The event ended with vote of thanks by Dr. Sangeetha Jhajharia.

It was extremely delightful to see how appealingly girls took up the Indian bridal look and each of them ramp walked elegantly and gracefully. It was also good to see that regardless of being in the 21st century and being scholars, women still have not forgotten to preserve their cultures and customs. Women have been redefining themselves since centuries and this competition gave us a glimpse of that development and their own reflection of opinions and preservation of Indian cultures and values.

The competition throughout went smoothly and also it caught the sight of judges and audiences to see such different and attractive bridal looks.

Krishna Janmashtami Celebration

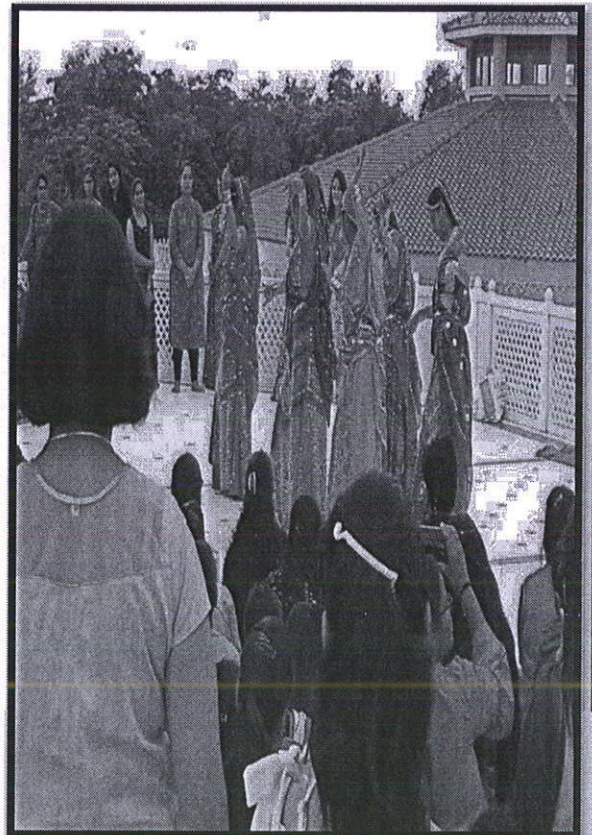

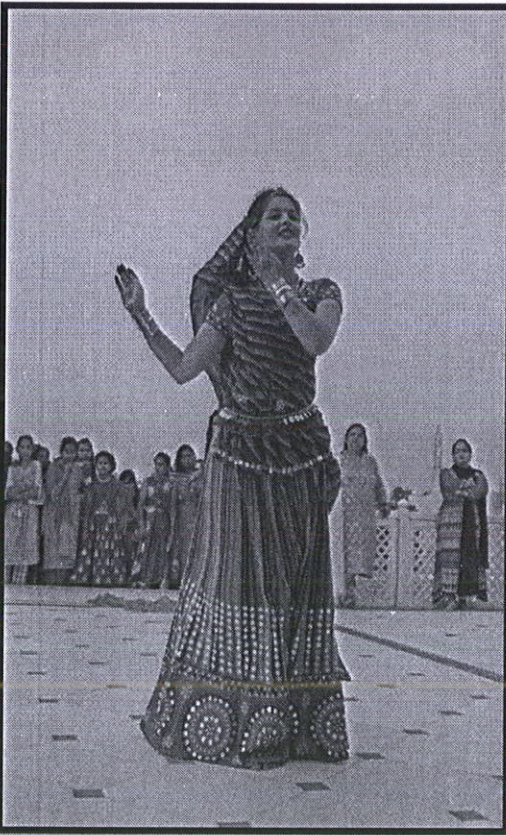

Date: 24 August 2019

S.No.	Date	Significance of the day	Participation
1.	24 August 2019	Krishna Janmashtami	SLAS students

Krishna Janmashtami was celebrated on 24th August 2019 with full fervor and zeal as cultural education is an essential aspect of the curriculum. Understanding this importance and glorifying Indian traditions with the young generation, Mody University of Science and Technology celebrates Janmashtami every year. To celebrate the extraordinary bond between children and the almighty, Mody University took the opportunity to both jubilate and learn with the young minds. The sole objective of Sri Krishna's birth and to celebrate Janmashtami is to free the earth from the evil and to illustrate the fact that whenever there will be dominance of malice lord Krishna will reincarnate to destroy the evil and save the good. On this auspicious occasion, the Tapovan Coordinator Dr. Rajiv Mishra expounded the incarnation of Lord Krishna and stories associated with him to the students. He said that this holy occasion brings people together and signifies unity and faith. Students attired as lord Krishna and Radha enthralled one and all with their scintillating dance performances which represented Krishna leelas and gave the message of victory of good over evil. Dressed as Radha and Krishna, the students added a traditional touch to the entire celebrations when they danced to the beat of Janmashtami songs, filling the air with joy and festive spirit. Students truly communicated the message that every moment of life is worth a celebration. The more you praise and celebrate life, the more there is in life to celebrate. The Director of the university Dr. Venugopala Rao blessed all the students on this auspicious day and gave them the message as always, looking ahead instead of reminiscing in the past. His words truly summed up the efficacy of celebrating festivals of devotion and obedience towards their parents and teachers.

On 14th November, 2019 SOB came across a splendid performance given by the teams participating in Fireless Cooking. The premise of the competition was to think of a dish which won't require a stove, or any sort of fire to be prepared for the judges to taste. Participants had to bring their own ingredients for their dishes, then had to prepare the dish themselves, in a given frame of time. The competition comprised of six teams, wherein, all the teams prepared food which was mouthwatering. In spite of the great efforts made by all the teams, team six bagged up the first position. Participants involved were Gomti Yadav, Riya Jain, and Jaya Sharma.
