Ref: BHAVAN 2017 Internship/1/ Sanjeev Jakhar

06 February 2017

Dear Mr. Sanjeev Jakhar,

Congratulations on your selection for the **prestigious Building Energy Efficiency Higher & Advanced Network (BHAVAN) Internship Program supported by the Department of Science & Technology, (DST), Govt. of India, and the Indo-U.S. Science and Technology Forum (IUSSTF).**

The objectives of this program are to provide an opportunity to the best and brightest Indian students to gain exposure and access to world class research facilities in leading U.S. institutions; to promote research and capacity building in the frontline area of Building Energy Efficiency, to encourage and motivate outstanding students to take up research as a career path and to pave the way for the next generation scientists and technologists from India to interact with American peers, thus helping to build long-term R&D linkages and collaborations.

For the Internship, you would be travelling to **University of Nevada, Las Vegas, USA**, for a period of **3 months tentatively from first week of June 2017 to end- August 2017**. Please note that your travel needs to be initiated before **31st July 2017**.

The Internship awarded to you will cover the following:

1. **Round-trip air-ticket:** Air-tickets would be provided directly by the IUSSTF Travel Desk by economy class and shortest route. You are advised to contact traveldeskt@indousstf.org
2. **Stipend @ US\$ 2,500/- per month**
3. **Health insurance** upto US\$ 500 or at actuals.
4. **Contingency or preparatory allowance** to cover expenses for obtaining U.S. Visa, airport transfers in India and U.S.A, etc. up to a maximum of INR 50,000/-

The expenditure should be incurred strictly in accordance to the *Terms & Conditions* (please refer to enclosed document) governing the BHAVAN Internship. It is expected that due recognition to DST and IUSSTF is made in all scientific publications, presentations etc. connected with this Internship.

If you need any further information, please feel free to contact my colleague *Dr. Nishritha Bopana* and *Ms. Subhashree Basu* at energy.fellowship@indousstf.org

I wish you an academically rewarding experience through this prestigious Internship.

Best wishes,

(Rajiv Kumar Tayal)

Your CSAB/ABET Program Evaluator Application

Liz Glazer <csab@verizon.net>

Wed 1/24/2018 3:29 PM

To: Liz Glazer <lglazer@csab.org>;

Dear Program Evaluator Candidate:

I am pleased to tell you that CSAB has approved you to be trained to evaluate degree programs in Computer Science. Congratulations!

Here are the steps in the training process:

1. Sign up for ABET face-to-face training on general accreditation criteria. We urge you to sign up for the earliest available session. Note: Registration for the first session closes Feb. 2.
2. Be assigned a mentor by CSAB.
3. Complete training pre-work, which is reviewed by the mentor.
4. Attend face-to-face training.
5. Participate in program criteria training webinar(s) led by experienced CSAB volunteers.

If all steps are completed successfully and all evaluations are positive, you will be approved to evaluate degree programs in the approved discipline area and will be assigned as either an evaluator or an observer on an accreditation visit in fall 2018.

Momentarily, I will update your status in ABET's database as "approved for training." This will generate an email to you explaining the next steps to take within the ABET system. Should you have any questions at all about this email, please don't hesitate to contact me.

Thank you for volunteering your time and expertise to improve computing education. I truly look forward to working with you.

Best regards,

Liz

Dear Senthil Athithan,

ABET is pleased to invite you to participate in our 2018 ABET Program Evaluator Candidate (PEVC) Training. This training will be held on June 2-3, 2018 at ABET Headquarters, 415 North Charles Street, Baltimore, Maryland, USA, 21201. ABET will provide certain meals on Saturday (breakfast, morning break, lunch, and afternoon break) and Sunday (breakfast and morning break).

During the past several years, ABET has collaborated with professional member societies to design a training process that we hope you will find engaging and informative. PEVC Training includes online prep-work and face-to-face training. You may contact Ashley Appleman, ABET's Training Manager, at aappleman@abet.org should you have any questions.

For your convenience, ABET will make the hotel reservations on your behalf. Approximately one (1) week before the face-to-face training, you will receive an email from the ABET Training Team notifying you of your hotel reservations.

ABET hopes that your participation will contribute to the understanding and cooperation between our countries in the important area of quality assurance in technological engineering education. ABET would be pleased if the necessary visa will be granted so you may attend this training.

Sincerely,

Michael K. J. Milligan

Subject:- Study Leave (without pay) for Postdoctoral researcher~ in regards

Respected Sir,

I, Dr. Sanjeev Jakhar, working as an Assistant professor in Department of Mechanical Engineering would like to inform you that I have been selected as a Postdoctoral Researcher in Agricultural Research Organization (ARO), Israel for two years. I shall work under the supervision of Dr. Helena Vitoshkin, Researcher, ARO Israel and Prof. A. Kribus, Tel Aviv University Israel. The tenure of the postdoc will be for two years, on extension basis.

Sir, I would like to join the postdoc position as this would be a remarkable career opportunity for me as well as for research opportunities for ModyUniversity, as we make explore the international collaboration of MUST with Tel Aviv University Israel. Being a great research opportunity, I request you to kindly allow me to avail study leave (without pay).

Sir, along with my application, I have also enclosed the achievements, execution plan of my approved project from DST (48.66 lakhs) and research work carried out by me during my tenure in Mody University.

Earlier I had applied for academic leave in March 2020 and got it sanctioned (enclosed herewith) by the management of the Mody University on 11th March, 2020. But my departure was postponed due to COVID-19 pandemic. Now, international flights have resumed and I want to proceed for the Postdoctoral Researcher in ARO, Israel. Tentative date of my departure to Israel is 16th December, 2020.

In view of the above, I humbly request you to kindly grant me Study leave (Without pay) from 16th December, 2020 to 10th January, 2022.

Thanking You,

Yours Sincerely,

POSTDOCTORAL FELLOWSHIP

Dear Dr. Dan...

On behalf of the Agricultural Research Organization (ARO), The Volcani Center, I am very pleased to let you know that the Committee has accepted your application for a Postdoctoral training, provided to award you with a Fellowship of 100,000 Israeli Shekels for one fiscal year. The scientist who will host you in the course of your Postdoctoral training is Dr. Helena Vioshnik.

Please acknowledge receipt of this letter and inform us if you agree to join the research group of Dr. Helena Vioshnik. Please send this acknowledgment as a p. by e-mail to: arim@volcani.gov.il. In addition, please send a copy of this letter to Dr. Helena Vioshnik, arim@volcani.gov.il.

The research group and the host scientist will be able to order for you all the necessary equipment and materials for your research and all other needs.

Mrs. Maya Shiner, arim@volcani.gov.il, is the contact person for Mrs. Helena Vioshnik (arim@volcani.gov.il) who is in charge of the Postdoctoral Fellowship at the Volcani Center (ARO). Handles all the administrative aspects of your arrival. If you have any questions, you are more than welcome to contact her.

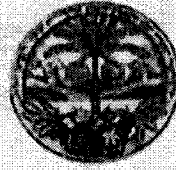

On behalf of the ARO, I would like to thank you for your interest in the research program of our institute and to wish you a successful and productive Postdoctoral training.

RE: ARO Postdoctoral Fellow

Dear Postdoctoral Fellow,

Attached please find instructions and some helpful tips, which will help you with the necessary arrangements prior to your arrival to Israel.

1. Applicants are requested to **provide an official Ph.D. Certificate**, issued by the university, prior to their arrival to Israel, in case it was not provided in the initial application.
2. Applicants are requested to issue a **"Multiple Entry" Student Visa A/2** in their country of origin, prior to their arrival to Israel. Please contact the Israeli Embassy in New Delhi **with the ARO letter of acceptance**, in order to obtain a student Visa to Israel. Please check the application instructions at the following web sites:

Postdoctoral fellows from India:

<http://embassies.gov.il/delhi/ConsularServices/Pages/consular-services.aspx>

In order to facilitate the procedure of receiving the Student Visa at the Embassy of Israel in New Delhi, please send your name and passport number to the Embassy. The Israeli Consul suggested that you send the required documents, including application form, passport photo, passport, flight tickets and Visa fees to the Embassy, along with the ARO letter of acceptance. You will find all necessary instructions at the web sites listed above. Israeli consulates are also in Mumbai and Bangalor.

Please be so kind to send to the ARO (to Mrs. Magi shalev; margalits@volcani.agri.gov.il), a copy of the Visa once awarded.

3. It is of utmost importance that all postdoctoral fellows supply testimonial of a **personal injury insurance** for at least **12 months** to cover the stay in Israel. If you intend to come with a family member, please issue such insurance for your spouse and children.
Without such insurance, postdoctoral fellows will not be eligible to come to the ARO and start their training.

Date: 24-11-2018

1.1. Project Overview

The project is a part of the SACDSTAM 2018-19 initiative, which aims to develop a sustainable and efficient energy storage system for the future. The project is led by the Birla Institute of Technology & Science, Pilani, and is a collaborative effort between the institute and the government of India.

2. Project Details

Project Title: *Research, Design and Development of a Novel Energy Storage System for the Future*
Produced by: *Ernst Samuel, Ramakumar, Rajiv*

Total Project Cost: *Rs. 47,03,400 (Rupees Forty Seven Lakhs and Three Thousand Four Hundred Rupees)*

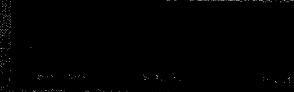

Project Budget: *Rs. 47,03,400 (Rupees Forty Seven Lakhs and Three Thousand Four Hundred Rupees)*
Project Duration: *12 months (from 1st January 2019 to 31st December 2019)*

Project Location: *Birla Institute of Technology & Science, Pilani*

Project Objectives: *To develop a sustainable and efficient energy storage system for the future.*

Project Scope: *The project will cover the research, design and development of a novel energy storage system.*

Project Deliverables: *The project will deliver a sustainable and efficient energy storage system for the future.*

Respected Sir,

This is to inform you that I had applied for study leave during April 2020 for my postdoc in Israel. However due to current (COVID-19) situations my departure has been postponed until situations get normal and thus I shall render my services continuously in Mody University.

This is for your kind information. Once again thank you very much for your kind consideration.

Thanks & Regards
