Krishna Janmashtmi

Krishna Janmashtami marks the auspicious day of birth of Lord Krishna, the eighth avatar of Lord Vishnu. Lord Krishna is presented as a mischievous but highly spiritual deity in the holy Bhagavad Gita. Dahi Handi, a significant part of the two-day celebration, represents the memoir of young Krishna.

His elderly soul stood for supreme truth and dharma in the story of Mahabharata. His acts and preaching's taught us the true wisdom of life.

NSS warmly wishes Happy Janmashtami!!

"Do everything you have to do, but not with greed, not with ego, not with lust, not with envy but with love, compassion, humility, and devotion."

Janmashtami, 24th August 2019, was celebrated in college premises by the School of Business 25 NSS Volunteers. The event was held in the seminar hall of the college building. The seminar hall was beautifully decorated to give us vibes of the oncoming celebration. The event led its start with a presentation introducing the Janmashtami festival celebrated in various parts of India with different flavors of different states, leading to Dean Sir's speech.

To welcome Lord Krishna, a welcome dance was performed by 2nd-year students followed by 2 dance performances by 1st Year students and 1 performance by 2nd year.

A round of simple yet confusing questions was asked by 2 girls who created an aura of joy and laughter. To add drama to the joyful afternoon a role-play was staged about the alluring birth of Lord Krishna. The love of mother Yashoda was showcased with a beautiful dance performance. Krishna Janmashtami is incomplete without Radha Krishna so to give closure to the cultural event Radha Krishna spread their essence of love among everybody.

Blessings of Lord Krishna showered everybody with a wonderful Aarti and Prashaad was distributed. Dahi Handi is something that energizes the Janmashtami celebration. To energize the event Dahi Handi Competition was organized were 7 teams with their leader, who was blindfolded and was directed by her team members to break the Matkas with a stick. The team with the minimum time consumed was awarded a statue of Lord Krishna.

NSS ORIENTATION PROGRAMME

An orientation program was organized on the afternoon of **8th March 2021** in room no. 201, ABB building, for new NSS volunteers. It was to introduce and familiarize them with the history, aims and activities of NSS. More than **26 students and several professors** were present in the event. Many students, who weren't volunteers, also attended the program in hopes of joining in.

The event commenced with Prof. Uma Bhardawaj (Dean SLAS) lighting the lamp and giving a few words of encouragement to the volunteers. She emphasized on the importance of NSS and how it helps the students' development and appreciation to other person's point of view and also show consideration towards other living beings.

The volunteers were then shown a PPT containing information about the history, aims, activities and awards of NSS. The scheme was launched in Gandhi's Centenary year in 1969. It was aimed at developing student's personality through community service. Its motto "*Not Me But You*", reflects the essence of democratic living and upholds the need for self less service.

A video of the Prime Minister addressing all NSS volunteers throughout the country was also played for the students, followed by a video of NSS volunteers marching during the Republic day parade. These videos motivated the students a lot. Then the students asked questions to the NSS coordinator and program officer, which they gladly and elaborately answered, and also gave several examples of activities to be done. The students also shared their reasons for joining NSS and what activities they wished to be a part of or what changes they wished to see in the society.

Keeping the present scenario in mind, the attendees had their masks on and maintained social distancing at all times. The whole event was

All volunteers were eager to share their ideas with each other and the coordinator. The ceremony concluded with a group photograph, and cheerful and inspiring words. It was an interactive session; the room was filled with enthusiastic young minds who want to change the world.

TREE PLANTATION

Date: **21st March, 2021**. World Forestry Day

Venue: Interiors of Laxmangarh.

18 students of SLAS, Mody University of Science and Technology volunteered in the NSS activity of plantation drive in the interiors of Laxmangarh town in Sikar district of Rajasthan state in India on 15th April, 2021.

The National Service Scheme (NSS) is a Central Sector Scheme of Government of India, Ministry of Youth Affairs and Sports. It provides the student youth to actively take part in various government led community service activities and programmes. The motto of NSS, NOT ME BUT YOU, itself suggests that the youth is required to think and work for others before self.

Amidst the current pandemic, this motto holds true stronger than it ever did before. With the constant destruction and deterioration of the world, to plant a seed of hope has now become an individual's duty. As is popularly said- "He who plants a tree, plants a hope", the NSS volunteers have been successful in creating a much-needed hope for a better future.

Volunteers firstly cleaned the pit where the plant had to be grown; they also put the sapling which would grow as a blooming tree. The area was then cleaned by the volunteers and water was given to every plant.

In the current crisis, it was made sure that all necessary precautions related to Covid-19 were taken. All volunteers maintained social distance from each other and it was compulsory to wear face masks throughout the drive. Volunteers were also need to carry pocket sanitizers and to use it whenever any foreign surface was touched.The

PAMPHLET MAKING COMPETITION

S.L.A.S., Mody University, **10th April 2021**

Pamphlets are a representation of an idea which includes graphics and texts both. It promotes a cause that one wants to convey in a simple and an easy to understand manner. This competition was organized by N.S.S unit of S.L.A.S, Mody University under the guidance of Dean SLAS, Professor Uma Bhardwaj and Program Officer Dr. Sangeeta Jhajharia on the topic, "Hygiene Awareness- Special emphasis on Jaundice" to spread awareness about healthy habits in the rural areas and keeping the area in thought, the pamphlets were all made in Hindi so the information could be easily conveyed and understood.

The competition was held amongst eighteen students who came from different background of courses and comprised of first- and second-year students of SLAS. It was a sight to behold as the students started with their posters. It could be noticed that everybody had a different idea of what a poster might look like and how to make it appealing to the mind as well as the eyes of the reader. The event was conducted for two hours and those hours brought out the creative and the informative side of the pupils. Each poster had its own taste of uniqueness and individuality. Despite the topic being very crucial in today's time, the main motivation for the students was the result that the winning poster would be circulated in the villages adopted by the University NSS unit. That was the final edge that the students needed to put their heart in the work. Though their main spirit was to make people aware of the symptoms and the ways to combat Jaundice, the prize was like an icing on the cake.

The competition was held very smoothly and throughout the duration, the clatter of the colors and the scratching of the pencils on the paper, brought out some beautiful end results from the students.

The number of participants were 20.

The Drill Competition was held on **September 28th** i.e. the second last day of the camp.
Drill is an important part of a cadet's life. It inculcates a sense of discipline, improves bearing, smartness in appearance and turn out, creates self-confidence, develops the quality of immediate and implicit obedience to orders and teamwork.
In addition to these qualities, drill brings about the coordination between mind and body and serves as the basis for imparting other service training.

NATIONAL SERVICE SCHEME

KARUNA CLUB

BRIEF REPORT
ON
AWARENESS PROGRAMME

1. Village Visit:

The NSS units of SOD, 19 NSS volunteers have contributed and service around the village on 5 March 2020 by educating them by bringing awareness and plantation to the poor village people.

Report:

NSS volunteers generally work in villages, villages and voluntary agencies to complete 120 hours of regular activities during an academic year. As per the fundamental principles of National Service Scheme, a volunteer is expected to remain in constant touch with the community. Hence, it is of vital importance that a particular village/village is selected for implementation of NSS programmes. As the NSS volunteer is to live with the members of the community during the 7 days Special Camping Programme and learn from their experience during his/her tenure in NSS, the village/village should be carefully selected for adoption by NSS unit.

Identification of Problem(s):

It is on the basis of this need assessment that projects/programmes are to be formulated. The programme officers should use their discretion and should identify the projects which can be completed by seeking assistance from the communities/other agencies.

The aim of adoption of a village or area is to give new ideas of development to the villagers which would improve their living conditions. Once the trust of the communities is won, they start cooperating with the NSS volunteers and approach them for solution of their problems.

Programmes aimed at creating an awareness for improvement of the status of women:

They may, inter-alia, include:

(i) Programmes of educating people and making them aware of women's rights both constitutional and legal;

(ii) Creating consciousness among women that they too contributed to economic and social well-being of the community;

(b) As Community Workers: They can identify local leaders and in cooperation with them discuss local problems on which cooperative action can be initiated.

(c) As Programme Aides: Students can help the local communities' in launching a number of programmes like setting up a free milk distribution centre, sanitation drive, recreation, adult lad primary education, health projects like immunization. first aid centre, child care, nutrition classes, and free legal aid centres etc. They can also help in forming youth clubs, children's groups, mahila mandals etc.
