Despite the fact that Research Methodology (RM 17.101) is a 2 credit course, we still have 3 classes per week for this course. We request that the class scheduled on Saturday (2:30 pm to 3:30 pm) be removed from the time table so that we can have 2 contact hours for the subject for the 2 credits it holds.

Respected Sir,

This is a complaint letter on behalf of B.Tech, CSE core, 1st year, Section A students. We all have some issues regarding the new time table and we request you to address our problems.

First, President sir said that MDC (environmental science) should be removed yet we have to attend three classes per week according to the new schedule.

Second, if you could please provide us with a complete weekend (Saturday and Sunday). The reason behind this is because after attending so many classes in a day, no one has the strength to continue with their regular studies, play sports or take part in any society. A weekend can give us time to study and complete all our personal tasks.

Third, the removal of library and fine arts can give us more time to complete our assignments, homework and continue with our self study.

Therefore, it is a humble request from our side, if you could please change the time table with all the issues mentioned above.

Kindly resolve our difficulties.

Thank you for listening to us,

Yours Sincerely,

Section A

- Students who have pending fees were saying that they will submit in this month positively and one of them have already submitted.
- During the meeting, the students mentioned some of their issues which are as follows:
  1. Students were asking about the final examination, because most of the students those have been placed they are joining in the month of June.
  2. Some of the students those doing internship, they have also their final presentation of internship in the month of June, so if the final examination would also held in June their date may get clashed.
  3. Some of the students have applied for the Master and related institute have been given a deadline for submission of provisional degree and final semester mark sheet.
  4. What will happen to those whose midterm exam was missed due to some genuine reason ad they had submitted the documents related to the same.
  5. They were asking about the date of major project third phase examination.
- I have also shared a Google form and an Excel sheet in which they will mention their achievements and academic performance (session of 2019-2020 and 2020-2021) respectively (Links are given below).
