Dear Patron,

Greetings from Birlasoft Campus team!!!

As discussed, pls. share the training plan for all the offered candidates by this week so that we can work out with our internal team for mid and final evaluation.

We would also request you to share attendance and the course curriculum completed on the weekly basis.

Ideally technical training should get over by April so that we can start onboarding candidates.

You can reach out to Mani at Manikantan.pr@birlasoft.com in case you need more insight to technical training.
