Interim Consent Letter

Sub: Extension of approval to School of Legal Studies, Mody University of Science and Technology, Lakshmangarh, Sikar, Rajasthan for running five year BA. LL.B., five year BCom. LL.B and five year BBA LL.B and three year LLB courses with intake of one section of 60 students in each course for a period of two years i.e. for the academic years 2019-2020 and 2020-2021.

University is directed to send the reply with in a period of 4 weeks in respect of various shortcomings as pointed out by the inspection team as well as by the Committee in this letter.

University is required to show-cause as to how it admitted students without approval of Bar Council of India in violation of Rule 14 of Legal Education Rules, 2008.

Sir,

The Standing Committee of the Legal Education Committee of the Bar Council of India at its meeting held on 17th, 18th and 19th August, 2019 considered the inspection report of School of Legal Studies, Mody University of Science and Technology, Lakshmangarh, Sikar, Rajasthan submitted by the inspection team of the Bar Council of India.

After consideration, the Committee had observed that the University was running five year BA. LL.B and five year BCom. LL.B. and approval was upto the year 2016-2017. The University had applied for further extension of approval for these courses from the year 2017-2018 and college also applied for five year B. Sc. LL.B. and three year LL.B course for the sessions 2017-2018 and 2018-2019. The Legal Education Committee considered the inspection

Fee Checked by : JT

report and approved the extension of approval for five year BA. LL.B., five year BCom. LL.B and five year BBA. LL.B with intake of two sections each for a period of two years namely 2017-2018 and 2018-2019.

So far approval for three year LL.B. course is concerned, Committee finds the University had admitted students without approval of Bar Council of India in violation of Rule-14 of the Legal Education Rule-2008. Show cause notice should given to the University. The Committee finds only two students were admitted in LL.B. second year and six students in first year, whether college is still interested to continue this course with this condition. The reply may be sent within four weeks.

So far B. Sc. LL.B. is concerned, the Committee considered the representation letter of the University dated 13.11.2017, question is whether for five year B. Sc. LL.B. approval was given or not for the academic session 2015-2016 and 2016-2017.

On 26.04.2015, Legal Education Committee considered the matter in which approval was granted for five year B. Sc. LL.B. with intake of one section for a period 2015-2016 and 2016-2017 subject to the conditions, question is for further extension for all these four courses.

The Committee further recorded so far five year B. Sc. LL.B. course is concerned number of subject shown is only Physics and Chemistry but for B. Sc. LL.B. integrated course for the discipline B. Sc., at least three subjects has to be taught, hence, one subject is short along with one faculty member.

Meanwhile, now university has applied for conversion of five year BA. LL.B., BBA.LL.B and BCom. LL.B each into Honours Degree from the year 2019-2020 and also for extension of three year LL.B course.

Before considering the conversion into Honours course, as per inspection report of the inspection team dated 20.07.2019 the Centre of Legal Education running four law courses namely B.A. LL.B., B. B. A. LL.B., B. Com. LL.B. and three year LL.B., requires 24 class rooms, but, there are only 14 in multi-storied big building. Further, it is recorded, the University does not have sociology and economic faculty member and there are only one faculty each for B. Com. and Management course which is also short. With the shortage of class rooms and shortage of faculty member, even for ordinary course question of approving Honours does not arise. Even for the ordinary course, question arises, as to how they are running with shortage of 10 class rooms. Looking to the students admitted, the committee finds for BA LL.B. 54 students were admitted, B.B.A. LL.B. only 24, B. Com. LL.B. only 5, B. Sc. LL.B. only 2 and three year LL.B. 0 (Zero) students were admitted, with this shortage now University is running two sections each when they do not have even for one section.

Option is left to the university to decide otherwise with such shortage of room and faculty member, it would not be possible to further extend for two sections.

Extension is granted for the courses B. A. LL.B., B. B. A. LL.B. and B. Com. LL.B. subject to further appointment of sociology and economic faculty member

Typed by : SG
Fee Checked by : JT

one each and similarly, for B. Com. and BBA one faculty member for each discipline within two months through proper selection with intimation to the Bar Council of India within the same period and pay them UGC Scale.

It is Still not clear whether college is continuing in with B. Sc. LL.B. as shortage was pointed in the last inspection report. How they are running with one shortage of subject, question of considering B. Sc. LL.B. for extension would only be considered when reply of the University is received. How are they running and granting B. Sc. LL.B. degree with shortage of subject. **Reply may be sent within four weeks for matter to be considered.**

Subject to the aforesaid, the Committee recommends **extension of approval** for running **five year BA. LL.B., five year BCom. LL.B and five year BBA LL.B and three year LLB courses** with intake of **one section of 60 students in each course** for a period of **two years i.e. for the academic years 2019-2020 and 2020-2021.**

The matter regarding balance inspection fee will be considered after reply by the University.

1. The CLE is running four courses for which it requires 24 class rooms but we found allocation of only 14 in a multi -storied big building.
