Faculty Advisors/Mentors 2020-2021 Date: 6-08-2020

In order to have deeper engagement with students and solve their Academic, Curricular, Co-curricular, extra-curricular and personal problems, we have the concept of Faculty Advisors. On every 18 (approx) students, we have one faculty member as Advisor. The duties of faculty advisors are:

1. To motivate students to attend the classes regularly and maintain 100% attendance.
2. To motivate the students for the individuals/group projects of better quality so that the theoretical learning is supplemented by practical learning.
3. To liaison with the Parents.
4. To understand their various issues such as Attendance/Personal/Curricular/Co-curricular/extra-curricular/sports.
5. To motivate the students to perform better in placements activities.
6. To keep the record of their Academic and other performances achievements.
7. To monitor academic performance of students as per clause R.28 of UG ordinance.

All the advisors are requested to have an official meeting on II & IV Monday, in the month at 4:45 PM in the respective class room/ laboratories or online as decided by the mentor/advisor. Each mentor should record the minutes of meeting in the register and to be signed by CR and mentor. The action taken by concerned Department/SET on the issues raised by students to be discussed with the student in the next meeting and to be recorded.

Note:

1. All first year mentors are supposed to take the required number of fresh diaries from the library.
2. Mentors whose mentees have passed out should tie all the diaries in a bundle and submit it to Dr. Suneet Gupta. See that you mention the batch details on a sheet of paper placed topmost in the bundle. For eg the details of the batch would look like -> 4 yr B.Tech. CSE-A2 (2019-2020).
3. If required, exchange of some diaries may be done among the mentors themselves by referring to the students' lists of their current mentees.
4. If the number of students (mentees) mentioned in the above table does not agree with the actual existing, intimate it to Dr. Suneet Gupta by e-mail asap.
