IBM Research Center conduct a workshop on Data Analytics for CSE Faculty

Group Photograph of the workshop

Faculty group presenting his project

Five day workshop on Data Analytics has been conducted by IBM research center for CSE faculty members at CSE-PG Lab from 3rd June 2019 to 7th June 2019. This workshop was conducted under the MOU between Mody University of Science and Technology and IBM, which aim to develop research excellence in the area of Machine Learning and Data Analytics. The workshop was lead by the resource person Ms. Nivedita Sinha, Technical Consultant - IBM Analytics & Data Science. A total of 12 faculty members of CSE department participated in the workshop which delivered content regarding data analytics and machine learning algorithms and gave practical exposure to the tools such as SPSS Modeler, IBM WATSON etc. used in IT

industry for the same. The participants were assigned group projects on data analytics followed by a presentation on the second last day of the workshop. The predictive models as Digging deeper - ANN, Decision trees, CHAID, Time series forecasting etc has been explored in entire workshop. She had also discussed various case studies with the participants. The workshop was ended with vote of by Dr. Ajay Kumar Singh Associate Professor CSE Deptt.

List of Participants

AGENDA - ANALYTICS WORKSHOP

Day 1	Topics
9.30 - 11.15 am	Analytics, Data Science - Overview
11.30 - 1.30 pm	Predictive Analytics - Methodology
2.30 - 4.15pm	Watson Studio - Overview, Modeler Flow
4.30 - 6 pm	Watson Studio - Using Jupyter Notebooks
Day 2	
9.30 - 11.15 am	Predictive Analytics - SPSS modeler
11.30 - 1.30 pm	Data preparation, Data exploration - Charts/graphs/scatterplots,etc
2.30 - 4.15pm	Clustering, Building models, Evaluating Models
4.30 - 6 pm	Predictive Models - Digging deeper - ANN, Decision trees, CHAID, etc

Day 3	
9.30 - 11.15 am	Predictive Models - Digging deeper - ANN, Decision trees, CHAID, etc
11.30 - 1.30 pm	Predictive models - Time series forecasting
2.30 - 4.15pm	Exercise - Create a Predictive analytics project
4.30 - 6 pm	Exercise - Create a Predictive analytics project
Day 4	
9.30 - 11.15 am	Presentation of project
11.30 - 1.30 pm	Presentation of project
2.30 - 4.15pm	Watson Studio - Visual recognition
4.30 - 6 pm	Watson Studio - Natural Language processing
Day 5	
9.30 - 11.15 am	Customer references/Use case demo : Time series
11.30 - 1.30 pm	Use case 2 : Employee attrition model
2.30 - 4.15pm	Question/Answers/Feedback

* List of participants has been shared with IBM. Certificate will be issued by the IBM in next 15 days.

Subject: Application for the approval of conducting FDP.

Dear Sir,

Department of Chemistry has planned a 5 days Faculty Development Program (FDP) entitled "Modern Approaches of Chemical Science and Nanomaterials" during 5-9 November, 2019. It will be a national level activity to brush up the recent development in Chemical Science and Nanomaterials. As the technology itself a multidisciplinary area, this will also enhance the opportunity to inculcate interdisciplinary research.

We sincerely thank you for your usual cooperation.

Yours sincerely

5. Brief Description of activity:

In this FDP we will discuss basic Concepts of Nanoscience & Technology, Biosensors and microfluidics, Nanobiotechnology and Nanomedicine, Nanomaterials in Energy Health and Environmental Applications, Magnetic nanoparticles and its applications. There will be two lectures in a day each of two hour duration. Total 12 lectures and interaction will be conducted in the program along with inaugural and valedictory sessions. We are planning to arrange 5 resource persons from the research organization and universities of international repute. The experts will be from Academia/leading research organizations. The experts will be from all the major divisions of sciences, having their expertise in Nanotechnology and prime objective will be to strengthen interdisciplinary research in nanotechnology. The lodging and boarding of resource persons may be arranged in the university mess, vacant faculty cottages of our organization respectively.

6. Participants:

As the activity of research nature, therefore participants may be teaching faculty of university/ degree colleges/Research Scholars/Research Associates/Scientific Officers etc. A few M.Sc. final students may all also be accommodated in the participants, depends on response from teaching fraternity. Program is planned to accommodate 30 participants in the FDP. Approximately 50 percent participants will be from the nearby organizations.

7. Registration in FDP:

Participants can register by filling a form along with an ID of present organization. A google form will be generated to collect and process the information of participants. No participation fee will be charged from the participants. The female participants may be accommodated in the available vacant rooms of the hostel. Attendance in all the sessions will be mandatory for the participants. After successful completion of FDP feedback will be collected from all the participants. An E-certificate will be provided after FDP to all the participants.

8. Announcement:

An e-copy of the announcement all the relevant details of FDP will be prepared and circulated through electronic media such as e-mail, whatsapp group of learned ones, social networking sites etc.

Preface:

Mody University of Science and Technology, (Formerly Mody Institute of Technology and Science, established by the Rajasthan state legislature and covered u/s 2(f) of the UGC act, 1956). The Mody University of Science and Technology was established in the year 1998 by Shri. R.P.Mody is a true visionary who took an idea ahead of his time and founded Mody University exclusively for girls. Far away from the city-pollution, the campus of the institute offers one of the most eco-friendly sites with a peaceful environment to study & reside in. It is situated within 140 km drive on the Jaipur-Bikaner highway (NH-11) from Jaipur takes you to the magnificent campus of the institute. The Mody University of Science and Technology has a campus that is aesthetically designed and marked with 69 state-of-the-art buildings with a built-up area of more than one lakh square meters and 10kms of internal campus roads including huge academic and other buildings, hostels with spacious corridors, big terraces and luxurious rooms brushed with the fragrance of lush green gardens with sprawling lawns harbouring delightful trees and forming a picturesque setting. Its rural location is quiet and peaceful, indeed ideal for academic pursuits, close to the nature in its totally pollution-free environment and far away from the hustle-n-bustle of city pollution.

Mody University of Science and Technology, adorned with greenery, is the perfect fusion of education, beauty and nature. At the lush green 265 acres campus in Lakshmangarh, Rajasthan, and the 'tranquil' ambiance, the university will soon have the best auditoriums in Rajasthan. The 50-crore auditorium complex will include a state-of-the-art main auditorium, a mini auditorium, and a multi-cuisine cafeteria.

Objective of the FDP: Five days faculty development programme is an important segment of the scientific activities. The FDP is intended to benefit teachers at the undergraduate, graduate, postgraduate and research levels. The FDP has been designed to have useful relevance to the curriculum covered in the post graduate, graduate and under-graduate programmes and will also cover some topics at the research level.

Topics to be covered:

- Basic Concepts of Nanoscience & Technology
- Biosensors and microfluidics
- Nanobiotechnology and Nanomedicine
- Nanomaterials in Energy Health and Environmental Applications
- Magnetic nanoparticles and its applications

Invited Speakers/Resource Persons:

1. Dr. Anshu Dandia, Deptt. of Chemistry, University of Rajasthan, Jaipur
2. Professor Rameshwar Ameta, Professor, Faculty of Science, Pacific University
3. Dr. Vijay Parewa, Assistant Professor, University of Rajasthan, Jaipur
4. Prof. Pahup Singh, (*Emeritus* Scientist, University of Rajasthan, Jaipur),
5. Prof. P. S. Verma (*Emeritus* Scientist, University of Rajasthan, Jaipur),

Important dates:

Last date for submission of Application: 04/11/2019

Duration : 05 – 09 November, 2019

How to Apply: University/College teachers at the undergraduate, graduate, post graduate & research level are requested to apply for participation by sending an application mentioning educational qualifications, address of communication, mobile number & e-mail address to the FDP coordinator by post/e-mail on or before **02nd November, 2019**.

Mody University of Science and Technology (MUST), Department of Chemistry organized Five days Faculty development programme' on 05 – 09 November, 2019 in Room No: 01, ABB, MUST. This FDP focused on various approaches of chemical Science and nanomaterials. The programme started at 10:30 am with the welcome address by Dr. Sarita Khaturia. The dignitaries on the dias were Chief Guest Prof. Anshu Dandia, University of Rajasthan, Jaipur, Prof.(Dr.) Atul Kumar, Dean SOS & SLA, MUST, Dr. K. L. Ameta, Head, Department of Chemistry, MUST. Opening remarks and introduction of the programme was given by Dr. K. L. Ameta, coordinator of the event. The University authorities were also available during the inaugural session of the event. Chief Guest talked about the emerging Technologies based on Nanoscience. The FDP included activities such as 12 lecture presentation, faculty interaction, queries asked on nanomaterials. Such scientific activities aware and motivate the faculties to work efficiently in this field by using emerging technologies based on nanoscience. This FDP concluded with vote of thanks by Dr. K. L. Ameta, coordinator of the event and prize and certificate distribution by the Chief Guest. There were two lectures in a day each of two hour duration.

OUTCOME
OF THE
Five days Faculty development programme
“Modern Approaches of Chemical Science and Nanomaterials”
Organized on
05 – 09 November, 2019

These five days FDP helped to stimulate thought process, arousing interest and motivating further inquiry and discussion among faculties. The FDP provided a platform for faculty members to familiar with field of Nanotechnologies. After attending FDP, participants will enrich their teaching skill and research in the field of various approaches of chemical Science and nanomaterials.

- Enabled faculty members to explore various techniques and approaches.
- Improve classroom performance in latest subjects and enriching the abilities for conducting meaningful research.
- Gains the knowledge of latest technologies and systems in the field of nanotechnology, Chemistry Sciences.

Preamble: Mody University of Science and Technology is a state private University with the objective of encouraging and motivating the women population and to avail quality education with world-class infrastructure and facilities in an IT- savvy environment. School of Law has been setup with the aim to inspire women population to opt for legal courses. The curriculum has been designed to inculcate among the students with techno legal skills, innovation, project management, communication capability and creative thinking. School of Law offers courses like BA/ B.Com./ BBA/ B.Sc. LLB Honours, LL.M and PhD

About the FDP: School of Law, Mody University of Science and Technology, Laxmangarh, Sikar Rajasthan, announces a Faculty Development Programme (FDP) to be conducted from 09th – 13th December, 2019. The theme of the Programme is “HOW TO WRITE RESEARCH PAPER”. The programme is meant to serve as a platform for teachers and professionals to come together and discuss the latest developments in the area of research and teaching. The objective of the programme is to explore research areas and methods by which research can be made more fruitful. The FDP will cover an array of areas around which the individual sessions will be organized. The following themes will be covered in the programme:

- To comprehend the basics and intricacies of scientific research paper writing
- To publish research works in reputed, peer reviewed and indexed journal.
- To enable participants to hold forth the society problems which could be solved through scientific inputs and interventions.
- To highlights significance of reference styles.

FACULTY DEVELOPMENT PROGRAM (FDP)

ON

How to Write Research paper

(09th – 13th December, 2019)

DISCUSSION

Research and training are the two wheels of the same bicycle. These are the important tools aimed at orienting participants towards writing quality research papers. The present faculty development program on How to Write Research Paper is organized by the School of Law, Mody University of Science and Technology with the objective to explore the various research areas and tools and techniques for writing an effective research paper. Prof. Shri Arun Singh started by explaining the criteria/conditions to be kept in mind while choosing the research topic. He also talked about the right mindset before beginning to write the research paper. He explained in detail the 'Why Question' for engaging the academicians in research and training. Prof. Shri Madhu Shastri explained in detail the source for getting the quality of information. She also explained the tools and techniques to extract the qualitative data from the source.

OUTCOMES

The present faculty development program has the following outcomes:

1. The participants should learn the basics and intricacies of scientific research paper writing.
2. The participants should learn techniques applied in choosing the research paper for publication.
3. The participants should learn the importance of reference styles.

Brief Report on Topics Discussed

With all the necessary preparation, the session started exactly at 10:00 am by Dr. BS Rathore, the coordinator of the FDP chanting Guruvandana Shloka and meditation followed by trainers introduction and general instruction on "Do's and don'ts during the training session.

The session for Batch one began on 'Effective communication' in which the trainer briefed about the importance of communication, like verbal, visual and vocal, for which the activities were conducted by the trainer. The participants were asked to follow the trainer's instructions and imitate actions. And this highlighted the difference between vocal and visual communication.

Simultaneously the session for Batch two began on 'Inter-personal skills', in which the trainer divided the participants in to smaller groups. The participants were made to come on stage and brief about their characteristic coincidence with the objects. This session made them understand about their own characteristics in detail. While one group was presenting, the remaining other groups were made to comment on the best job done and also on the areas of improvement. Thereafter the trainer involved the participants in various kinds of activities like Role plays, games and group discussion to construct their own knowledge on Interpersonal skills and communication skills.

Also, a session was conducted on 'Stress Management' for both the teams, during the session the trainers briefed about the stress factors and methods in which one can overcome stress. Then the participants were asked to list out the stress factors along with the stress busters in their day to day life.

Overall, the session ended on a positive note after the participants preparing a collage on the entire sessions' learning and presenting to the other participants.

The active participation by all the participants has not only enhanced the overall learning, but has also resulted into an enjoyable experience, making the FDP highly successful.
