Mody University of Science and Technology

Sikar

Subject: For conducting a five-day Skill Development programme for Laboratory Technicians

Dear Sir

With reference to the subject, a proposal for five days named as "Skill Development Programmes For Laboratory Technicians" is submitted for your kind consideration. The training is aimed to train the laboratory technicians for general aspects of laboratories, do and don't's and theoretical as well as hand on experience on the instruments and techniques utilized during BSc, MSc laboratory exercises. If approved, full proposal like resource persons, venue, schedules etc. will be submitted in due course of time.

Thanking you in anticipation

Thanks & Regards

Prof. B K Goyal

Skills Development Program for Laboratory Techncians

(26 – 30, November 2018)

Organized

by

Department of Biosciences, School of Sciences
Mody University of Science and Technology

Preamble: Mody University of Science and Technology is a state private University with the objective of encouraging and motivating the women population and to avail quality education with world-class infrastructure and facilities in an IT- savvy environment. The department of biosciences works with a vision to emerge as a leading centre for Undergraduate and Post Graduate, study and research in Plant Biotechnology, Microbiology, Bio-catalysis & Bio transformation and Environmental Biotechnology. It is aimed to generate skilled professionals for teaching and industrial sectors of Biotechnology, Microbiology, Food Technology and other related disciplines.

About the Program: This training program is to train laboratory technicians who are involved in conducting of experiments in bioscience laboratories. It is a five days hands on training program in which participants will be introduced about the theoretical aspect followed by the practical exercises. The program is open to lab technicians of university as well the other colleges and university.

Major Course Contents:

- Safety measures and hazard management
- Workshop on Lab ethics
- Biochemical calculation for Laboratories
- Statistical tools for Biologist
- General Biochemistry procedures in Laboratory
- Instrumental Techniques of Analysis
- Maintenance of Laboratory Instruments
- Instruments Working and use in Laboratory
- Significance of Microbes in daily Life
- Techniques of Microbial Culture
- Handling of Microbes in Laboratory
- Tools of recombinant DNA technology
- Basic technique of bioinformatics
- Handling of PCR machine

Important dates:

Last date for submission of Application: 25 November, 2018
Duration : 26-30 November, 2018

A Report on

SKILL DEVELOPMENT PROGRAM FOR LABORATORY TECHNICIANS

Submitted by

Dr. B.K. Goyal & Dr. KP SHARMA

REPORT

The Skill development program for laboratory technicians was organized by the Department of Biosciences of the School of Sciences in Mody University campus during 26th to 30th November 2018. Mody University of Science and Technology is a state private University with the objective of encouraging and motivating the women population and to avail quality education with world-class infrastructure and facilities in an IT- savvy environment. The department of biosciences works with a vision to emerge as a leading centre for Undergraduate and Post Graduate, study and research in Plant Biotechnology, Microbiology, Bio-catalysis & Bio transformation and Environmental Biotechnology. **It** is aimed to generate skilled professionals for teaching and industrial sectors of Biotechnology, Microbiology, Food Technology and other related disciplines.

The program aimed at the training of lab technicians of colleges in biosciences departments of the Mody University & in the area around the town. It was the vision of our **Convenor Prof. M K Madan and Co-convener Dr. Atul Kumar,** Who Proppelled us with the ideas and facilitated with the facilities required for program.

It was a five days hands on training program in which participants were introduced about the theoretical aspect followed by the practical exercises. The program was open to lab technicians of university as well the other colleges and university.

Major Course Contents included:

- Safety measures and hazard management
- Workshop on Lab ethics
- Biochemical calculation for Laboratories
- Statistical tools for Biologist
- General Biochemistry procedures in Laboratory
- Instrumental Techniques of Analysis
- Maintenance of Laboratory Instruments
- Instruments Working and use in Laboratory
- Significance of Microbes in daily Life
- Techniques of Microbial Culture

- Handling of Microbes in Laboratory
- Tools of recombinant DNA technology
- Basic technique of bioinformatics
- Handling of PCR machine

The Eminent resource Persons , Dr. R.K.Gaur, Dr. Sandeep Jaiswal, Dr. Jitendra Binwal, Dr. K.P. Sharma, Dr. R.S. Chundawat, Dr. B.K. Goyal, Dr. Harish Dhingra, Dr Navneet Joshi and Dr Rakesh Verma made this workshop successful for all the participents.

The participents took keen interest in the lectures and workshops and ultimatetely they were able to gain a bag of knowledge, which otherwise, was difficult for them during their routein life.

Last but not the least , Organisers would like to thank Mody University for providing a plateform for this knowleful & Successful Workshop. Thanks to all.

FACULTY DEVELOPMENT PROGRAMME (FDP)
ON
INTELLECTUAL PROPERTY RIGHTS AND MANAGEMENT
(04th - 08th September, 2017)
Organized by

School of Legal Studies
Mody University of Science and Technology
Lakshmangarh, Sikar, Rajasthan. 332311

Preamble: Mody University of Science and Technology is a state private University with the objective of encouraging and motivating the women population and to avail quality education with world-class infrastructure and facilities in an IT- savvy environment. School of Legal Studies has been setup with the aim to inspire women population to opt for legal courses. The curriculum has been designed to inculcate among the students with techno legal skills, innovation, project management, communication capability and creative thinking. School of Law offers courses like BA/ B.Com./ BBA/ B.Sc. LLB Honours, LL.M and PhD

About the FDP: Intellectual property is the outcome of human intellect. In other word, we can say that intellectual property is an idea of mind that got transformed into physical form which is commercially viable and which improves the quality of life of humans. Although, there is an abundance of creative and innovative energies which are flowing in India still, much of the Intellectual Property (IP) created remains unprotected. The probable reasons could be lack of awareness, weak infrastructural support and perceptual mind blockages related to the complicated procedures associated with the Intellectual Property management. Looking into this, nationwide initiatives have been taken by policy makers to spread awareness about the significance of IPRs to promote innovation and Entrepreneurship among students and startups. IPR protection provides a tool for entrepreneurs to appropriate their returns from innovation by protecting and commercializing their IPRs. The prime purpose of this FDP is to provide basic knowledge of IPRs, its importance and implications in promoting entrepreneurship and start-up ecosystem among young Scholars, Small & Medium Enterprise (SME) and Grass root level innovators., School of Legal Studies, Mody University of Science and Technology proposes to hold the Faculty Development Program on INTELLECTUAL PROPERTY RIGHTS AND MANAGEMENT from 04th - 08th September, 2017. The following themes will be covered in the programme:

- To boost the level of awareness, curiosity, knowledge and information about IPR issues.
- To explain the role of Intellectual Property Rights in promoting and safeguarding the interests of the innovators.
- To analyze the impact of IPR on Technology Transfer agreements, Innovation outcomes and investment on R&D at industry
- To provide an understanding about the provisions and procedures of Indian Patent act and the benefits arising out of the protection and commercialization of Intellectual Property among the start-ups.
- To analyze the impact of IPR on Entrepreneurship Development.

FACULTY DEVELOPMENT PROGRAMME (FDP) ON

Intellectual Property Rights and Management

(04th -08th September, 2017)

DISCUSSION

Intellectual property is the outcome of human intellect. In other words, we can say that intellectual property is an idea of mind that got transformed into physical form which is commercially viable and which improves the quality of life of humans. Although, there is an abundance of creative and innovative energies which are flowing in India still, much of the Intellectual Property (IP) created remains unprotected. The probable reasons could be lack of awareness, weak infrastructural support and perceptual mind blockages related to the complicated procedures associated with the Intellectual Property management. Looking into this, nationwide initiatives have been taken by policy makers to spread awareness about the significance of IPRs to promote innovation and Entrepreneurship among students and startups. IPR protection provides a tool for entrepreneurs to appropriate their returns from innovation by protecting and commercializing their IPRs. The prime purpose of this FDP is to provide basic knowledge of IPRs, its importance and implications in promoting entrepreneurship and start-up ecosystem among young Scholars, Small & Medium Enterprise (SME) and Grass root level innovators., School of Legal Studies, Mody University of Science and Technology proposes to hold the Faculty Development Program on Intellectual Property Rights And Management.

OUTCOMES

1. The participants can have a complete understanding of Intellectual property laws and their utilities.
2. The participants can fully comprehend the laws applicable and techniques that can apply for the transfer of technologies.
3. The participants can understand the role of intellectual property in business development.

Subject: Application for the approval of conducting FDP.

Dear Sir,

Department of Physics has planned a 5 days Faculty Development Program (FDP) entitled "Research Prospective in Natural Sciences (RPNS-17)" from September 04 to September 08, 2017. It will be a national level activity to brush up the recent development in research in the natural science. This will also enhance the opportunity to inculcate interdisciplinary research.
As this day is very close so your early consideration will be highly appreciated.

We sincerely thank you for your usual cooperation.

Yours sincerely
Dr. Narendra Kumar
Organizing Secretary (RPNS-17)

Dr. Manoj Mishra
Convenor (RPNS-17)

6. Brief Description of activity:

There will be three lectures in a day each of one and half an hour duration. Total 13 lectures will be conducted in the program along with inaugural and valedictory sessions. We are planning to arrange 4/5 resource persons from the research organization and universities of international repute. The experts will be from all the major divisions of sciences and prime objective will be to strengthen interdisciplinary research. The lodging and boarding of resource persons may be arranged in the university mess, vacant faculty cottages of our organization respectively.

7. Participants:

As the activity of research nature, therefore participants may be teaching faculty of university/ degree colleges/Research Scholars/Research Associates/Scientific Officers etc. A few M.Sc. final students may all also be accommodated in the participants, depends on response from teaching fraternity. Program is planned to accommodate 50 participants in the FDP. Approximately 50 percent participants will be from the nearby organizations.

8. Registration in FDP:

Participants can register by filling a form along with an ID of present organization. A google form will be generated to collect and process the information of participants. No participation fee will be charged from the participants. The female participants may be accommodated in the available vacant rooms of the hostel. Attendance in all the sessions will be mandatory for the participants. After successful completion of FDP feedback will be collected from all the participants. An E-certificate will be provided after FDP to all the participants.

9. Announcement:

An e-copy of the announcement all the relevant details of FDP will be prepared and circulated through electronic media such as e-mail, whatsapp group of learned ones, social networking sites etc.

Five Days Faculty Development Programme (FDP) on Research Prospectives in Natural Sciences (Sept 4th–8th, 2017)

Organized by

MODY UNIVERSITY
OF SCIENCE AND TECHNOLOGY
LAKSHMANGARH • RAJASTHAN
A Leading Women's University

Department of Physics
College of Arts, Science and Humanities
Mody University of Science and Technology
Lakshmangarh, Rajasthan

About the FDP

This faculty development program, Emerging Trends in Interdisciplinary Research from 4th to 8th Sept 2017, is focused to address the progress of research in all branches of science. The science based research offers technological applications in generating new devices with the utilization of engineering and technology. The FDP will provide on the scope and applications of science in various fields with new scientific tools.

About Mody University of Science and Technology

Mody University of Science and Technology (MUST), spread over 265 acres of lush greenery, is situated at Lakshmangarh (District Sikar) on the Jaipur–Bikaner highway (NH 11) and is ranked among top 45 universities in India and one of the four leading women universities (India Today, July 14). Apart from this, Mody University is ISO 14001:2004 certified.

This University offers wide range of courses in broad areas of Arts, Sciences, Humanities, Architecture, Engineering, Fashion Designing, Management and Law. To enhance global exposure of the students, more than 20 collaborations and MOUs have been signed with many international universities.

About Department of Physics

The department offers rich and comprehensive UG, PG and Doctoral programmes in the different area of Physics. We believe on positive teaching and a strong research environment. The department undertakes regular periodic evaluation of its programmes for their enhancement and development in the light of new and emerging international trends in the fields of Physics. The Physics department has following laboratories: General Physics Laboratory, Optics Laboratory, Advance Physics Laboratory and Physics Research Laboratory under its disposal. All of them are spacious and well equipped with all modern and state of the art equipments capable to carry out numerous experiments to elucidate concepts, to develop understanding of the inductive approach and the significance of a physical measurement. The department offers M.Sc. in Physics, a highly interesting and promising programme for students with broader bandwidth for absorption in research and industry alike. It offers core skills to a student, thus providing them with a platform for further research in the various areas of Physics like Solid State Physics, Photonics, and Nano-Science. The B.Sc. (H) in Physics and B.Sc. (Physics, Mathematics, Chemistry) are the undergraduate programmes designed to prepare the students not only for advanced studies in physics, but are also aimed towards providing valuable employment opportunities after graduation.

Major Topics

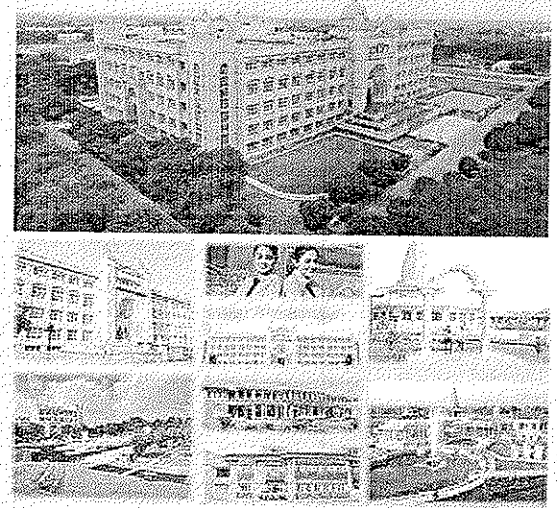

Materials Science
Photonics Engineering
Biotechnology and Biosciences
Chemistry in Nanoscience
Mathematical Methods

Registration Process

Interested participants can register by filling the registration form at www.modyuniversity.ac.in. Successfully registered and attended candidates will receive Certificate of participation at the end of FDP.

Discussion/Report

The Department of Physics has organized five-days Faculty development Program (FDP) entitled "***Research Prospectives in Natural Sciences***" from September 4, 2017 to September 8, 2017in Room No: 07, GVC, MUST. The program was witnessed by the eminent speakers Dr. P.P. Singh, Dr. Ram Janma, Dr. Mohit Shrama and Dr. Bhuveneswer Suthar from outside of the university and Dr. Brajraj Singh, Dr. Manoj Mishra, Prof. R. K. Gaur, Dr. H. K. Dhingra, Dr. Jitendra Binwal, Dr. Narendra Kumar, Dr. Sarita Khaturia, and Dr. K.P. Sharma from the inside of the university.

The programme started with the welcome address by Prof. Atul Kumar, Dean, and CASH, followed by Lectures of speakers. The department is indebted to our Patron Prof. Atul Kumar, Dean CASH and Chairperson Prof R.K. Gaur for their support and guidance. We are also very thankful to the Coordinators, Technical Teamand staff members of the department for their valuable suggestion and contribution in conducting this program. We also acknowledge our students volunteers. This FDP concluded with vote of thanks by Dr. Manoj Mishra, convener of the event and certificate distribution was made by Dean-CASH.

Five Days Faculty Development Program

On

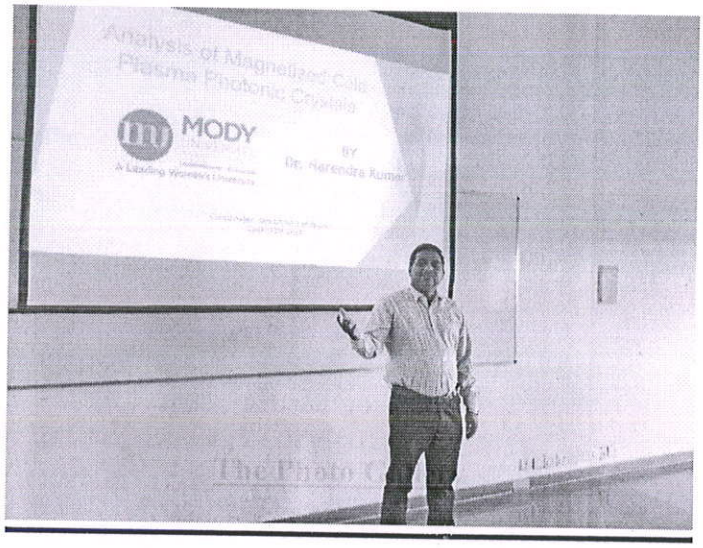

"*Research Prospectives in Natural Sciences*"

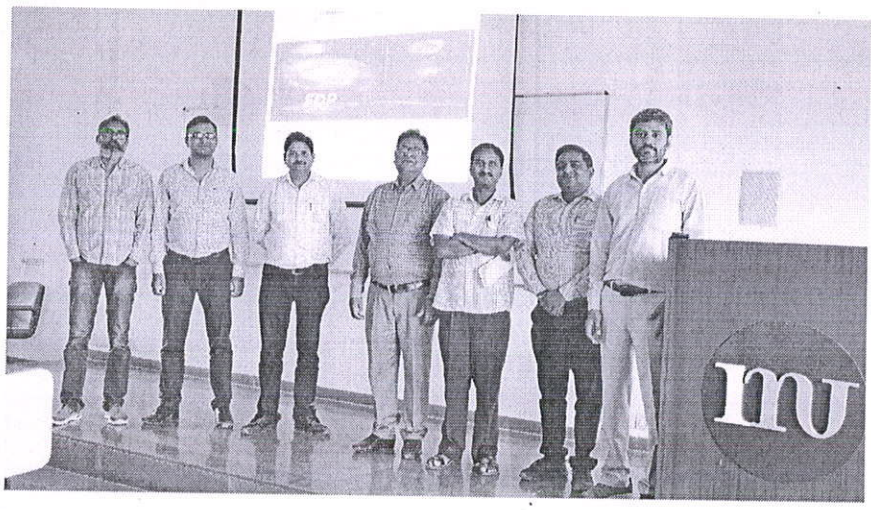

September 4 to 8, 2017

Outcomes

- This FDP was based on the different basicsareas of Sciences in which participants of different departments were involved.
- Thisfive days FDP enhanced theoretical, laboratory and research skills of the participants with reference to all areas of Natural Sciences.
- It emphasized on interdisciplinary research and with covering topics on developments in Natural Sciences.
- It introduced the knowledge regarding recent advances in new emergingresearch areas in Natural Sciences.
- Involved lectures of different important and latest topics.

About University

The Mody University is a private university aimed at helping the girl population avail quality education with world-class techniques in an IT-savvy environment. It gives the students an opportunity to study the subject they want. They can choose from numerous undergraduate and postgraduate courses of different disciplines like Arts, Science, Commerce, Engineering, Management, Law, Fashion, Interior Design, Architecture, Physiotherapy, Agriculture etc. Within the University grounds, you will find interactive classrooms, large sports courts, natural beauty, places with spiritual essence and the entire site filled with artifacts. This, in turn, does not only provide the best learning platform to the women but also ensures that they are made aware of the cultural heritage of the country.

About the FDP:

Promotes you to be a leader in the higher education system and to held higher positions in an organization and will help individual to grow up in the system, this course is specifically made to enhance leadership qualities.

This course will help you to understand the basics, eligibility, and requirements for leadership roles in higher education. This also will help you to understand and improve yourself as an Academic Leader, Administrative leader, or Organizational leader.

This course also introduces you to the different aspects of governance in Indian Higher Education system, which will be essentially helpful for every emerging leader in the system. This will help you to be a better leader and effective administrator along with a good academician.

Intended Audience: Faculty members of any subject or discipline from Senior College, institutions and/or University can join this course

About Mody University

The Mody University is a Private university aimed at helping the girl population avail quality education with world-class techniques in an IT-savvy environment. It gives the students an opportunity to study the subject they want. They can choose from numerous undergraduate and postgraduate courses of different disciplines like Arts, Science, Commerce, Engineering, Management, Law, Fashion, Interior Design, Architecture, Physiotherapy, Agriculture etc.

About COBMEC

College Of Business Management, Economics & Commerce (COBMEC) has three major pillars of Management, Economics and Commerce - which combine together to make COBMEC a center of excellence for study of Business in totality. Even before it started being recognized that gender diversity and investing in female leaders make business sense, COBMEC has been delivering its under-graduate and post-graduate programs in management, economics and commerce though a unique mix of cross-functional approach to business, focus on issues impacting career-success of women in the professional world and seamless alignment with Indian beliefs and value-systems.

Subject: For conducting a five-day Faculty Development programme on ***"Examination, Teaching and Research Ethics"***.

Dear Sir

With reference to the subject, we would like to put up a proposal for five days faculty development programmes for creating awareness about examination, teaching pedagogy and ethics enabled teaching and research facilities for more effective knowledge creation and dissemination. Project-based learning, peer and collaborative learning, and other advanced pedagogical strategies will be introduced to participants in order to develop autonomous, critical, and creative thinking among students and teachers. Participants in this programme will also be able to learn how to use online tools for learning, research, and professional development, as well as develop their capacity to plan, create, and implement research that meets international standards.

As this FDP aims to provide teachers with cutting-edge pedagogy for their own professional growth and the benefit of their students, we look for your kind approval of the same.

Further we will chalk out full proposal like resource persons, venue, expenses and dates, etc.

Thanking you in anticipation

Thanks & Regards

Dr Harish Dhingra

Coordinator
