

Annual Report 2016-2017

College of Arts, Science and Humanities (CASH)

The major accomplishments and achievements of the College of Arts, Science and Humanities are highlighted as under:

CASH has awarded degrees to 50 students (37 UG, 09 PG and 04 Ph.D.)

Faculty Development:

1. The faculty members published 3 books, 10 chapters and 25 research articles in the renowned national and international journals.
2. Four faculties were invited for lecture in various International Conferences.
3. One faculty was invited as an international visiting scholar at Thailand.
4. One faculty completed one year long Teacher Training program from The English and Foreign Languages University, Hyderabad.
5. Three faculty members were nominated as the members of the Editorial Board of various research journals of international repute, namely - International Journal of Radiation Oncology and Chemotherapy (IJROCT), Journal of Forensic Chemistry and Toxicology (JFCT) and *Ad Litteram: An English Journal of International Literati*.

Academic Activities:

1. Prof Adriana Neske from Department of Chemistry and Pharmacy, San Miguel de Tucumán, Argentina visited Mody University for a joint project of Department of Chemistry of CASH and Argentina on Indo-Argentina joint collaboration.
2. A fourteen-day Study India Programme was organized for a group of thirteen students from the National University of Singapore. The programme included lectures and discussions on the areas like Indian Diaspora, Gender Studies, Folk Culture Studies, Religious Studies, Indian Philosophy, Indian Dance and Music, Art and Literature, Indian Politics and Foreign Policy, Indian History, Interaction with NGOs / Self-help Groups, Social Organizations for Women Empowerment, and various visits to Micro finance firms, historical places, Natural water resources, Self-help groups were also arranged.
3. A two week long "Science Academies' Refresher Course in Experimental Physics" was conducted by the Department of Physics in association with the Indian Academy of Sciences, Bangalore; Indian National Science Academy, New Delhi and the National Academy of Sciences, Allahabad.
4. One special Guest Lecture was organized by Arts Department on Political Values and Indian Constitution.
5. A lecture series and a workshop on Latex were organized by Department of Physics.
6. The Department of Arts conducted a one-day Faculty Development Programme on 19 Feb., 2017

Research Activities:

1. One Ph.D. student is receiving fellowship from DBT, New Delhi.
2. Two Ph.D. students received CSIR and UGC-JRF/SRF scholarship.

Subject: Application for the approval of conducting FDP.

Dear Sir,

Department of Physics has planned a 5 days Faculty Development Program (FDP) entitled "Emerging Trends in Interdisciplinary Research (ETIR-16)" which is a 5 days activity proposed to be conducted from September, 05 to September 09, 2016. It will be a national level activity to brush up the recent development in research in the science and technology. This will also enhance the opportunity to learn about industrial applications of new trend in research and the way of technology transfer.

We sincerely thank you for your usual cooperation.

Yours sincerely

Dr. Manoj Mishra

Organizing Secretary (ETIR-16)

Dr. Narendra Kumar

Convenor (ETIR-16)

6. Brief Description of activity:

There will be three lectures in a day each of one and half an hour duration. Total 13 lectures will be conducted in the program along with inaugural and valedictory sessions. We are planning to arrange 5/6 resource persons from the research organizations and universities of international repute. The experts will be from all the major divisions of sciences and engineering. The prime objective will be to strengthen research in basic science, explore the applications of fundamental research and technology transfer to industry. The lodging and boarding of resource persons may be arranged in the university mess, vacant faculty cottages of our organization respectively.

7. Participants:

As the activity of research nature, therefore participants may be teaching faculty of university/ degree colleges/Research Scholars/Research Associates/Scientific Officers etc. A few M.Sc. final students may all also be accommodated in the participants, depends on response from teaching fraternity. Program is planned to accommodate 50 participants in the FDP. Approximately 50 percent participants will be from the nearby organizations.

8. Registration in FDP:

Participants can register by filling a form along with an ID of present organization. A google form will be generated to collect and process the information of participants. No participation fee will be charged from the participants. The female participants may be accommodated in the available vacant rooms of the hostel. Attendance in all the sessions will be mandatory for the participants. After successful completion of FDP, feedback will be collected from all the participants. An E-certificate will be provided to all the participants after successful completion of FDP.

9. Announcement:

An e-copy of the announcement all the relevant details of FDP will be prepared and circulated through electronic media such as e-mail, whatsapp group of learned ones, social networking sites etc.

Lakshmangarh, Rajasthan

About the FDP

This faculty development program, Emerging Trends in Interdisciplinary Research from 4th to 8th Sept 2017, is focused to address the progress of research in all branches of science. The interdisciplinary research offers potential applications in generating new devices with the utilization of engineering and technology. The FDP is intended to provide an overview on the worldwide progress, scope and its applications in various fields with new scientific tools.

About Mody University of Science and Technology

Mody University of Science and Technology (MUST), spread over 265 acres of lush greenery, is situated at Lakshmangarh (District Sikar) on the Jaipur-Bikaner highway (NH 11) and is ranked among top 45 universities in India and one of the four leading women universities (India Today, July 14). Apart from this, Mody University is ISO 14001:2004 certified.

This University offers wide range of courses in broad areas of Arts, Sciences, Humanities, Architecture, Engineering, Fashion Designing, Management and Law. To enhance global exposure of the students, more than 20 collaborations and MOUs have been signed with many international universities.

About Department of Physics

The department offers rich and comprehensive UG, PG and Doctoral programmes in the different area of Physics. We believe on positive teaching and a strong research environment. The department undertakes regular periodic evaluation of its programmes for their enhancement and development in the light of new and emerging international trends in the fields of Physics. The Physics department has following laboratories: General Physics Laboratory, Optics Laboratory, Advance Physics Laboratory and Physics Research Laboratory under its disposal. All of them are spacious and well equipped with all modern and state of the art equipments capable to carry out numerous experiments to elucidate concepts, to develop understanding of the inductive approach and the significance of a physical measurement. The department offers M.Sc. in Physics, a highly interesting and promising programme for students with broader bandwidth for absorption in research and industry alike. It offers core skills to a student, thus providing them with a platform for further research in the various areas of Physics like Solid State Physics, Photonics, and Nano-Science. The B.Sc. (H) in Physics and B.Sc. (Physics, Mathematics, Chemistry) are the undergraduate programmes designed to prepare the students not only for advanced studies in physics, but are also aimed towards providing valuable employment opportunities after graduation.

Major Topics

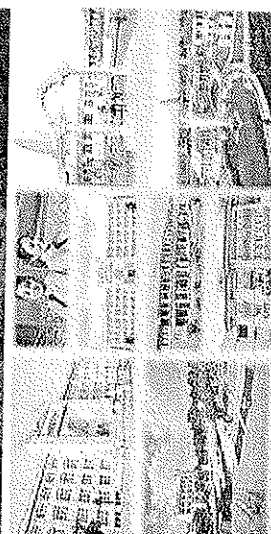

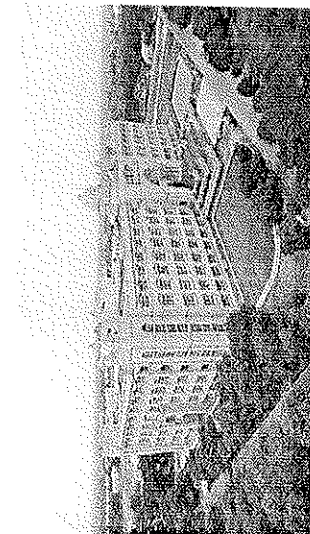

Materials Science
Photonics Engineering
Biotechnology
Biophysics
Nanoscience and Nanotechnology
Mathematical Modeling

Registration Process

Interested participants can register by filling the registration form at www.modyuniversity.ac.in. Successfully registered and attended candidates will receive Certificate of participation at the end of FDP.

Five Days Faculty Development Program
On
Emerging Trends in Interdisciplinary Research
(September 5 to 9, 2016)

Date: 10/09/2016

Discussion/Report

The Department of Physics has organized five-days Faculty development Program (FDP) entitled "*Emerging Trends in Interdisciplinary Research*" from September 5, 2016 to September 9, 2016 in Room No: 07, GVC, MUST. The programme started with the welcome address by Dr. Amit Mukherjee, Dean, and CASH, followed by Lectures of speakers. The program was witnessed by the eminent speakers Dr. Khem B. Thapa, Dr. G. N. Pandey, Dr. Mohit Shrama and Dr. Bhuvaneswer Suthar from outside of the university and Dr. K. L. Ameta, Dr. Sandeep Jaiswal, Dr. Jitendra Binwal and Dr. Sarita Kathuria from the inside of the university.

The department is indebted to our Patron Prof. Amit Mukherjee and Chairperson Prof A.K. Das for their support and guidance. We are also very thankful to the Coordinators, Technical Team and staff members of the department for their valuable suggestion and contribution in conducting this program. We also acknowledge our students volunteers. This FDP concluded with vote of thanks by Dr. Narendra Kumar, convener of the event and certificate distribution by the Chief Guest.

[Dr. Manoj Mishra]

Organizing Secretary

Five Days Faculty Development Program

On

Emerging Trends in Interdisciplinary Research

(September 5 to 9, 2016)

Outcomes

- This FDP was based on the interdisciplinary fields of Sciences which was attended by participants of different subject area.
- This FDP for teaching staffs enhanced and enriched their theoretical, laboratory and research skills in with the various approaches of Sciences.
- Emphasis was on sharing the knowledge regarding interdisciplinary research and enriching the abilities for conducting meaningful research.
- Provided knowledge regarding recent advances in new emerging research areas in the realm of Science and technology.
- Involved lectures of different latest topics including Physics, Optics, Biology, Chemistry and Mathematics.
