

Medical Facility

Parents are quite serious when it comes to caring for the health of their children and you are no exception. The Mody University, keeping your requirements in mind offers best healthcare amenities for your daughter.

Mody University cares about your daughter's health as much as you do. As soon as she enters into the campus, it becomes her guardian and hence it becomes its prime responsibility to ensure she remains healthy. Dr. Nandini Mathur and Dr. Nirmaljeet Kaur are the doctors who hold the responsibility to check the health of your girl. The former is an MBBS with a PG in Maternal Care and has an MBA degree in Healthcare and the latter is an MBBS with a degree in Management.

Availability of the Doctors

- Two Resident Lady doctors with female nursing staff are available 24 hours a day.
- From 8 in the morning to 8 at night, both the doctors remain in the clinic.
- For rest of the time, the girls are allowed to call them as and when required.
- The best part is that the doctors stay within the campus itself.
- There is also a dentist, an Ophthalmologist, an ENT and other medical specialists who sit in the clinic to provide periodic medical check-ups.

Facilities of the Clinic

- The clinic has the capacity to accommodate about 8 people at a time.
- During the day time, 3 nurses are there in the clinic, while there are 2 at night.
- The Clinic also educates the girls on hygienic and preventive care.

Cost of Medicines

- The hostellers are given the medicines for free after their check-up.
- The rest of the students have to go out of the campus and buy the prescribed medicines.

Food for Patients

- As per the diet chart of the doctors, the patients are given their food from the mess or cafeteria.
- The hostellers, however, are parceled their food in their rooms as per the recommendations of the doctors.

Other Healthcare Amenities

- Around 150-175 girls are attended by the doctors every day.
- Routine check-up is a must for every student once in a month.
- There are two ambulances within the campus, which the students can call for anytime. To call for ambulance, dial 01573-225(001-012).
- In case of emergency, the girls are taken to Sikar or Jaipur accompanied by a nurse to ensure better treatment for them.
