School of Business :

School of Business (SOB) has three fundamental ingredient of business that is Management, Economics and Commerce – which combine together to make SOB a center of excellence for study of Business in totality. Even before it started being recognized that gender diversity and investing in female leaders make business sense, SOB has been delivering its under-graduate and post-graduate programs in management, economics and commerce though a unique mix of cross-functional approach to business, focus on issues pertaining career-success of women in the professional world and seamless alignment with Indian beliefs and value-systems. Our faculty bring in a rich combination of exposure to top business schools, academic excellence and industry experience – which ensure that our students get trained in the best of academic concepts and frameworks on one side and cutting-edge industry developments on the other. Our excellent industry connects and growing international linkages result in the students getting wide industry and international exposure. SOB prepares its students not just for their first job but for facing challenges of a lifetime.

Alumni Speaks

Divya Singh

Deputy Manager
Bajaj Finance Ltd.

The MBA program at Mody University of Science and Technology has significantly shaped the professional journey of its graduates. With a robust academic foundation complemented by hands-on learning experiences, the program has been instrumental in fostering career development. The placement support provided by the university has played a pivotal role, enabling graduates to secure esteemed positions through campus recruitment. Mody University equips its students with the skills, knowledge, and confidence required to excel in their professional aspirations and thrive in the corporate world.

Ms Saniya Choudhary

ICICI Securities
Chief Relationship Manager

The dedicated professors and state-of-the-art facilities have provided an enriching academic experience. With a strong focus on quality education and diverse extracurricular activities, the institution stands out as a transformative platform for holistic development. The exceptional faculty, vibrant campus life, and abundant learning opportunities have significantly contributed to personal and professional growth during the tenure here.

Pooja Gupta

HR Head / Entrepreneur
Digiprima Technology
Pvt. Ltd. Indore

As an MBA graduate from MITS, I credit the program with equipping me with essential business skills, fostering leadership development, and broadening my global perspective. The comprehensive curriculum and industry exposure significantly enhanced my career prospects by providing access to strong professional networks and valuable industry connections. Additionally, the program's emphasis on specialized knowledge positioned me competitively for leadership roles and entrepreneurial endeavors.

Poonam Kedia

Founder - Agarwal international
Business Network(AiBN)
Ahmedabad

I am an accomplished alumna of MITS and a Rajasthan University merit holder, and I proudly serve as the founder of Agarwal International Business Network (AiBN). I launched AiBN in March 2023, and within just 22 months, we have grown to 1,100 members across 17 cities in India. Through AiBN, we've facilitated business collaborations and transactions worth ₹5 crores, creating a strong platform for business growth and connection. Based in Ahmedabad, I am passionate about empowering startups by providing funding programs that connect them with prominent business families. Additionally, I am dedicated to supporting women entrepreneurs by organizing exhibitions to showcase their ventures. Leading AiBN has been a rewarding experience, helping to build a thriving network for collaboration and business success.
