About School of Law :

The School of Law (SOL) empowers women with legal knowledge and human values to become competent, thoughtful lawyers. This profession enables them to make meaningful contributions to society through legal practice. Due to technological advancements, globalization, and industrialization, lawyers now have roles beyond the courtroom, engaging with law firms, multinational corporations, and businesses to manage legal affairs. The SOL also aspires for its graduates to serve as judges and advocates in High Courts and the Supreme Court.
