5:00PM

ABOUT MALAVIYA MISSION SCHEME

The Ministry of Education (MoE) has sought to strengthen the synergy and integration between HRDCs and PMMMNTT centres to meet the objective of NEP 2020, keeping in view the optimal utilization of infrastructure, human and financial resources. The scheme has been designed to implement some of the recommendations and aims of the policy, which suggests some key changes to the current higher education system to revamp and reenergize it and thereby deliver high-quality higher education, with equity and inclusion.

This new phase of the scheme also aims to implement the recommendations of NEP viz. to improve the quality of teaching at all levels and in all domains; to focus on equity and inclusion in higher education and promote online and digital education; ensure equitable use of technology; promote Indian language and culture; develop basic infrastructure facilities; create awareness about gender sensitization; include vocational education in the curriculum; develop leadership and management skills; create pool of mentors and pedagogic experts; promote research and multidisciplinary education.

ABOUT HANSRAJ COLLEGE

Hansraj College is one of the largest constituent colleges of University of Delhi and has been ranked as one of the top five colleges for Science, Arts and Commerce several times in the last decade. The faculty and students of the college have contributed immensely in the field of academics, sports and cultural activities. The college faculty is dedicated towards growth and development of the institution academically and administratively to constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

ABOUT MODY UNIVERSITY OF SCIENCE AND TECHNOLOGY

Mody University of Science and Technology (MUST) is a premier private women's university in India, accredited with a NAAC A+ grade for its unwavering commitment to academic excellence and world-class education. MUST offers globally benchmarked programs in Engineering & Technology, Business & Commerce, Law, Liberal Arts & Sciences, Fashion & Design, and Pharmacy. Spread across a 265-acre green campus, the university boasts state-of-the-art infrastructure, international collaborations, and a strong focus on innovation and leadership, empowering women to realize their potential and emerge as confident professionals, visionary leaders, and responsible global citizens.

MUST has adopted NEP 2020 and follows a Choice Based Credit System, allowing students the flexibility to design their own degrees, along with a modern academic model on par with renowned international universities. Over the past 25 years, MUST has become synonymous with excellence in women's education, grounded in core values such as academic rigor, research and innovation, nation-building, social and environmental responsibility, and the cultivation of human values alongside intellectual knowledge.

At MUST, diversity and inclusivity are integral to the academic experience, where perspectives from different regions and cultures come together to enrich learning and foster a collaborative environment. The university proudly welcomes students from across India and abroad, who contribute their unique ideas and experiences to a vibrant and intellectually stimulating campus community.

NOTE: LIVE SESSIONS ON 8 DAYS
