

- **International Partnerships**
- **Student Mobility**
- **Research Collaboration**
- **Exchange Programs**

**WHERE WOMEN LEARN,
LEAD AND COMPETE GLOBALLY**

WHY CHOOSE MODY UNIVERSITY

- **Academic Excellence**
NAAC A+ accredited (3.43/4.00), ensuring internationally credible academic standards.
- **Global Exposure**
International collaborations offering student mobility, exchange, and research opportunities.
- **Safe & Secure Campus**
Women-only residential campus providing a safe, secure, and supportive learning environment.
- **Multidisciplinary Programmes**
UG, PG, and Ph.D. programmes aligned with global education and career pathways.
- **Student Mobility**
Flexible academic structures supporting inbound, outbound, and short-term international mobility.
- **Research & Innovation**
A research-driven ecosystem promoting interdisciplinary projects and global academic collaboration.
- **Campus & Infrastructure**
A modern residential campus with advanced laboratories, libraries, and learning resources.
- **Cultural & Global Balance**
An international learning experience rooted in Indian values and global perspectives.
- **International Student Support**
Dedicated International Affairs Office offering end-to-end support for international students.

Welcome to Your Global Future

Born from the pioneering vision of Late Shri R. P. Mody Ji to elevate women's education, Mody University of Science and Technology stands as a launchpad for global citizens who carry confidence, competence, and cultural intelligence into every room they enter. At Mody University of Science and Technology (MUST), global engagement is woven into the very fabric of its identity, creating pathways that turn aspirations into achievements while celebrating India's rich cultural diversity.

Mody University at a Glance

- 20+ national and international partners across the globe
- Collaborative study platforms in France, USA, Canada, and Germany
- Industry-aligned curricula across 6 multidisciplinary schools
- Foreign language courses in French, German, Spanish, and Japanese

President's Message

Prof. (Dr.) Ashutosh Bhardwaj

Mody University, a vibrant institution, stands at the forefront of innovation, excellence, and inclusivity. Proudly dedicated to the education and empowerment of women, we have built a lasting legacy of progress and transformation. Over the years, we have provided world-class education that inspires our students to lead not only in their professions but also in society. As we reflect on our journey, we reaffirm our vision for the future. We are committed to creating an environment that nurtures learning, creativity, and holistic development. Our students gain knowledge, skills, and values that help them excel and make a positive difference in the world. Amid the evolving landscape of higher education, we continue to adapt and innovate. Our faculty serve as mentors and catalysts for change, supported by cutting-edge research and state-of-the-art facilities that enrich the learning experience.

Diversity and inclusivity remain central to the university ethos. We draw strength from the different perspectives and experiences that our students bring from across India and globally.

Empowering women goes beyond the classroom. We encourage every student to discover her purpose through research, creative pursuits, and community engagement.

We are proud of our alumnae, who continue to excel globally and inspire future generations.

I invite you to join us on this ongoing journey of learning, growth, and transformation as we shape a future led by women who are leaders, innovators, and changemakers.

Programmes Offered at Mody

School of Engineering and Technology (SET)

UG Programmes

- B.C.A./ B.C.A. (Cyber Security) - Cyberdojo
- B.Tech. Biomedical Engineering
- B.Tech. Biotechnology
- B.Tech. Biotechnology (Genetic Engineering/ Regenerative Medicine)
- B.Tech. CSE
- B.Tech. CSE (AI and Deep Learning) - IBM
- B.Tech. CSE (Cyber Security) - Cyberdojo
- B.Tech. CSE (Bioinformatics/ Cloud Computing/ Data Science)
- B.Tech. Electrical Engineering
- B.Tech. ECE
- B.Tech. ECE (AI and Cybernetics/ VLSI)
- B.Tech. Electronics and Computer Engineering
- B.Tech. Mechanical Engineering
- B.Tech. Mechanical Engineering (AI and Machine Learning)
- B.Tech. Nuclear Science and Technology

PG Programmes

- M.Tech. Computer Science and Engineering
- M.Tech. VLSI Design
- M.C.A.

School of Design (SOD)

UG Programmes

- B.Des. Fashion Design
- B.Des. Graphics, Communication and UI/UX Design
- B.Des. Interior Design

PG Programmes

- M.Des. Fashion Design
- M.Des. UX Design

School of Law (SOL)

UG Programmes

- B.A. L.L.B./ B.A. L.L.B. (Honours)
- B.B.A. L.L.B. (Honours)

PG Programmes

- L.L.M. (Corporate and Commercial Law/ Criminal and Security Law/ Environmental Law/ IT Laws)

School of Business (SOB)

UG Programmes

- B.B.A./ B.B.A. (Honours)/ B.B.A. (Honours with Research) [Digital Marketing/ Finance/ Human Resource/ Marketing/ Tourism Management]
- B.Com./ B.Com. (Honours)/ B.Com. (Honours with Research) [Accountancy and Taxation/ Strategic Finance]

PG Programmes

- M.B.A. Integrated (5-Years)
- M.B.A. Dual Specialisation (Business Analytics/ Family Business and Entrepreneurship/ Finance/ Human Resource/ Marketing/ Sustainability Management)

School of Liberal Arts & Sciences (SLAS)

UG Programmes

- B.A./ B.A. (Honours)/ B.A. (Honours with Research) [Humanities and Social Sciences/ English Literature/ Psychology/ Political Science/ Journalism and Mass Communication]
- B.Sc./ B.Sc. (Honours)/ B.Sc. (Honours with Research) [Lifescience/ Biotechnology/ Food & Nutrition/ Psychology/ Physical Sciences/ Physics/ Mathematics/ Chemistry/ Forensic Science]
- Bachelor of Physiotherapy (BPT)

PG Programmes

- M.A. (English/ Political Science)
- M.A./ M.Sc. (Mathematics/ Psychology)
- M.Sc. (Botany/ Chemistry/ Food and Nutrition/ Forensic Science/ Physics/ Zoology)

School of Pharmacy (SOP)

UG Programmes

- B. Pharm
- D. Pharm

Ph.D in Engineering and Technology, Liberal Arts and Sciences (All Disciplines), Design, Law, Management, Economics and Commerce (Full-time/Part-time)

Note: For Ph.D programmes both male and female candidates may apply.

Semester Cycle

- **Autumn (Fall) Semester : August-December**
- **Spring Semester: January-May**
- **Summer Break: June-July**

Professional Excellence with Personal Enrichment

School of Etiquettes and Finishing Skills (SEFS): Comprehensive programmes in personality development, communication excellence, professional etiquette, leadership training, health and wellness, cultural refinement, soft skills, and personal image consultation for well-rounded, confident professionals. Each programme balances rigorous academics with sustainability principles, innovation, and inclusive growth.

International Academic Partners

Through strategic partnerships with distinguished institutions across the globe, Mody University creates opportunities that transform students into global thinkers, cultural ambassadors, and future leaders.

Our Global Network

United States Partners:

- University of Colorado Denver
- University of North Texas, Denton
- Stony Brook University, New York
- Graham School of Management, Saint Xavier University, Chicago
- Pacific States University, New York

European Excellence:

- JUNIA Graduate School of Engineering, France
- IMT Atlantique, France
- EPF École d'Ingénieurs, Sceaux, France
- University of Nantes, France
- Network N+I, France
- GSI Helmholtzzentrum, Germany

- WSB University, Poland

Asia Pacific & Beyond:

- Diponegoro University, Indonesia
- Tribhuvan University, Kathmandu, Nepal
- St. Petersburg State University, Russia
- Synergy University, Moscow, Russia
- Ajman University, United Arab Emirates
- INTI International, Malaysia

Each partnership opens doors for student mobility, collaborative research, Faculty Exchange, and professional networks that last a lifetime.

Our Glory Getters

- **Muskan Gupta - University of North Texas, USA**
B.Tech. ECE student who completed a prestigious internship, gaining hands-on experience in cutting-edge electronics research.
- **Aditi Singh - University of North Texas, USA**
B.Tech. CSE student who immersed herself in American academic culture whilst advancing her computer science expertise.
- **Kavita Yadav & Supriya Garg - Polytech Nantes, France**
B.Tech. ECE students who experienced European engineering education whilst exploring French culture and language.
- **Bhavita Modi & Shivika Chhabra - CERN, Switzerland**
B.Tech. ECE students who worked at a premier particle physics laboratory, contributing to impactful research.
- **Apoorva Gupta, Aanchal Agrawal & Anushka Agarwal - Carleton University, Canada**
B.Tech. CSE students who completed internships, expanding their technical skills and global perspectives.
- **Anukriti Shrivastava - INP ENSEEIHT, Toulouse, France**
B.Tech. CSE graduate pursuing a two-year master's programme through Network n+i, building a European career foundation.
- **Tunisha Gupta - IMT Atlantique, Nantes, France**
M.Tech. Nuclear Science & Technology graduate pursuing advanced studies at a prestigious French engineering institution.

These are not just names on a list; they are pioneers who seized opportunities, embraced challenges, and returned transformed academically, culturally, and personally.

Student Mobility Programmes

Mody University offers a dynamic student mobility ecosystem that combines inbound and outbound opportunities, including summer internships, twinning programmes, joint and dual degrees for undergraduate, postgraduate, and doctoral students and faculty, both through partner universities and as freemovers. Ph.D scholars can also explore specialised research exchanges under specific MoU provisions.

Key formats include semester exchanges, international internships, certificate and research programmes, master pathways, and flexible freemover options, all designed to enhance global exposure and academic depth.

Certificate & Research Opportunities

- **Cyber Security Certificate:** One-month intensive programme at Carleton University, Canada
- **Research Programmes:** GET_INVolved initiative at GSI Helmholtzzentrum and FAIR in Germany, offering opportunities to work with scientists on nuclear and particle physics projects.

Masters Pathways

Students can pursue advanced degrees at partner institutions through established pathways such as:

- **Network n+i, France:** Access to French engineering schools including INP ENSEEIHT in Toulouse and IMT Atlantique in Nantes for two-year master's programmes.

Freemover Options

For students with specific destinations or institutions beyond the partner network, the Freemover option enables customised global journeys with academic support from Mody University.

Faculty Exchange Programmes

Students benefit from distinguished visiting professors who bring global expertise directly to their classrooms:

- **Prof. Abdelouas** - IMT Atlantique, France – Radiochemistry & Nuclear Materials specialist
- **Prof. Athula Kulatunga** - Purdue University Northwest, USA – Head of Engineering Technology
- **Prof. Neeti Prashar** - Purdue University, USA – Physics expert
- **Mr. Christian Guellerin** - L'École de Design Nantes Atlantique, France – Executive Director, design thinking and innovation specialist

Campus Life: Community, Culture, and Connection

Mody University offers a vibrant, safe, and nature-rich residential experience where international and Indian students learn, live, and grow together through academics, festivals, sports, clubs, and everyday interactions.

The campus blends multicultural student communities, biodiversity with over 100+ bird species, green and water-rich landscapes, secure women-only hostels, nutritious dining, and dedicated community spaces that make the university feel like a second home.

Discover Rajasthan: Your Cultural Classroom

Studying at Mody University means inheriting Rajasthan's extraordinary heritage as an extended campus, with weekend getaways that turn learning into cultural immersion.

Heritage & Spiritual Experiences Nearby

Within convenient travel distance, students can explore:

- Laxmangarh Fort
- Jaipur (Amer Fort, City Palace, Jantar Mantar and other iconic sites nearby)
- Jaisalmer Fort
- Chittorgarh Fort
- Salasar Temple
- Khatushyam Temple / Khatushyamji Temple
- Mount Abu and Dilwara Temples
- Ganeshwar Hot Springs
- Harshnath Temple
- Devgarh and other historic and cultural spots in the Shekhawati and wider Rajasthan region

The rest of Rajasthan's treasures can be showcased visually through photographs and brief captions, allowing students to picture their cultural adventures even before they arrive.

HOW TO REACH LAKSHMANGARH

Rajasthan is famous for its forts, carved temples and decorated havelis. Shekhawati region is famous for its painted Havelis known for their frescoes. Within an hour's drive lie several picturesque towns like Fatehpur, Nawalgarh, Mandawa, and Churu. The University town of Lakshmangarh is situated in the Shekhawati region of Rajasthan. It is located on NH 52 (Old NH 11) about 20 minutes drive from the District town of Sikar and 2 hours drive from Jaipur. The University town of Lakshmangarh is only 30 minutes drive from the revered Salasar Balaji Temple.

DISTANCES BY ROAD

Sikar-27 Km	Udaipur-456 Km
Jaipur-140 Km	Hisar-200 Km
New Delhi-300 Km	Agra-380 Km
Ajmer-227 Km	Kota-399 Km
Jodhpur-299 Km	

TRANSPORTATION

Buses are frequently available from Main Bus Stand, Sindhi Camp, Jaipur for Jaipur-Bikaner Route.
